

INTRODUCTION.

In presenting to the public the Gazetteer and Directory of Lincoln and Welland Counties, the publisher desires to return his sincere thanks to all who have so kindly aided him in obtaining the information it contains. Especially are our thanks due to the several editors of the papers published in the two Counties, for the uniform kindness they have evinced in calling public attention to the author's efforts, and for essential aid in furnishing material for the work. The various township clerks, and many others have placed us under similar obligations, to all of whom we tender our grateful acknowledgements.

That errors have occurred in so great a number of names and dates as are here given is probable; and that names have been omitted which should have been inserted is quite certain. We can only say that we have exercised more than ordinary diligence and care in this difficult and complicated feature of book making. Of such as feel aggrieved in consequence of errors or omissions we beg pardon, and ask the indulgence of the reader in marking such as have been observed in the subsequent reading of the proofs, and which are noted in the *Errata*.

The *Advertisers* represent the leading business men of the two Counties, and we most cheerfully commend them to the patronage of those under whose observation these pages may come.

With thanks to our patrons and friends generally, we leave our work in their hands, trusting it may meet with that favor which earnest endeavor ever wins from a discriminating public.
