An Act to separate the Township of Romney from the Township of East Tilbury, and to erect the said Townships into independent Corporations.

WHEREAS the union of the Townships of East Tilbury and Preamble. Romney is most convenient for the inhabitants of Romney, the two Townships being separated by an extensive marsh and no mutual local interest existing between them ; Be it therefore enacted, &c.,

That upon, from and after the first day of January, 1853, the union Union dissolved on and after 1st Jan. 1853. of the said Townships shall be dissolved, and each of them shall be a separate Municipality by itself, notwithstanding that either of them may not then have one hundred resident freeholders and 10 householders on the Collector's Roll ; and that all the provisions of law in that behalf shall apply to the said Townships, as if they had been separated in consequence of each of them having been found to contain one hundred resident freeholders and householders on the Collector's Roll.
