This real Bucks lace, with due care, will last a lifetime, and gives that touch of refinement and distinction so much desired by ladies of good taste. Send for the treatise entitled, "The Pride of North Bucks," a copy of which has been graciously accepted by Queen Mary, her Majesty being a patron of the Bucks lace industry. This booklet is sent post-free to any ladies interested, and contains many interesting facts relating to the work. Owing to the war, the lace-makers in England are practically destitute, and to continue the industry, Mrs. Armstrong has sent the finished pieces over to Toronto, hoping that Canadian ladies will avail themselves of this opportunity of acquiring some beautiful lace, and at the same time supporting this very deserving industry. A great number of village women depend solely upon their lace-pillow for a livelihood. Every sale, however small, is a help. Write at once to MRS. LAURA ARMSTRONG'S LACE INDUSTRY, 363 Spadina Ave., Toronto, Canada.

Useful New Invention

Enables Anyone to Play Piano or Organ Without Lessons

A Detroit musician has invented a wonderful new system which enables any person or little child to learn to play the piano or organ in one evening. Even though you know absolutely nothing about music or have never touched a piano or organ, you can now learn to play in an hour or two. People who do not know one note from another are able to play their favorite music with this method without any assistance whatever from anyone.

This new system which is called the Numeral Method, is sold in Canada by the Numeral Method Music Co. of Canada, and as they are desirous of at once making it known in every locality, they are making the following special free trial and half-price offer to our readers.

You are not asked to send any money until you have tried and are satisfied with the new method. The Numeral Company is willing to send it to you on one week's free trial, and you will not have to pay them one cent unless you desire to keep it. There are no express charges to be paid, as everything will be sent by mail. Simply write a letter or post card to the Numeral Method Music Co. of Canada, 185R Curry Hall, Windsor, Ontario, saying "Please send me the Numeral Method on seven days' free trial." If you are satisfied after trying it, the Method and fifty different pieces of sheet music will cost you only \$5, although the regular price of these is \$10. You should not delay writing, as the Numeral Company will not continue this special half-price offer indefinitely. Later on, the Method and fifty pieces of music will be sold at the regular price.
