Hamilton's Irish Homespuns

EFFICIENT TAILORING
RELIABLE MATERIALS

IRISH Homespun is the only material modern machinery cannot sur-
percede. Spun by hand, woven on handlooms, dyed with vegetable
dyes in the old-time way, full of the goodness of the native wood,
they instinctively appeal to the taste of good dressers—to those who
dislike ordinary power-loom productions.

They offer unlimited variety of colour selections, and come in
weights adapted to all wear conditions. Price from 42 cents per yard
in handloom width only (28 inches wide.)

We keep an expert staff of men tailors making fashionable garments
to measure, for ladies and gentlemen—they know the Homespun way
and keep to it. Our Efficient Tailoring Booklet tells about their service,
which is optional.
