# Engineers.

## A rewarding career could be yours in the Canadian navy.

Opportunities exist for recent graduate engineers with degrees in electrical, electronics, mechanical or physical disciplines.

As a Maritime Engineer you will receive special training in marine systems, combat systems or naval architecture and construction. You could be involved in the new Canadian navy patrol frigate programme. These positions offer responsibility, comprehensive benefits and attractive salaries. Entry into the Forces is at the officer level.

For more information on plans, entry requirements and opportunities, visit the recruiting centre nearest you or call collect — we're in the yellow pages under Recruiting, or write to:
