International Association for the Exchange of Students for Technical Experience. If the idea of combining travel with a summer job sounds attractive, IAESTE may be able to help. IAESTE aims to provide career-related experience abroad - normally for a period of 8 to 12 weeks during the summer - for students of Engineering, Science, and most related technologies. Work permits are arranged by IAESTE and the employer will offer a salary to cover local living costs. Further information and registration forms in the Employment Centre.

Textile Management Internship Program is specifically designed to prepare science, engineering, and technology graduates to meet the demand for future, well-educated managers in the Canadian textile industry. The TMIP is an intensive, one-year program of instruction in textile technology and managerial skills. It consists of three terms: textile technology; co-op work placement; and, managerial skills. It is the only English-language textile education program of its kind in Canada. Pick up brochure package and application details in the Employment Centre. **May 1999 will be the start of the next TMIP.** Interested students should apply as soon as possible.
