Dear Arthur, When I picked up my Calgary  
Albertan this morning I was delighted to  
find in the article under your photo and  
a propos of your birthday that <sup>you</sup> were  
going to your office regularly -

As you did not answer my last  
note, I was afraid that you  
were not so well, but keep up  
the good work - I am both well  
and join me in best wishes  
for "Many Happy Returns" -

The returns from Manitoba  
are encouraging but it is un-  
fortunate that they are not  
more decisive -

All the best - Arthur -

Sincerely  
George B. H.
