

Lambton 19th Sept. 1829

Dr William Handen was not born in Lambton, nor is he
furnished with a regular certificate of his baptism from
the Parish Register at home, but it appears unquestionable
from a Mem. in his father's letter, & which the signature
of the Minister is attached, that he was born on the 18th
of February & baptised on the 23rd March A. D. 1807.

Wm. Handen D. D.
Minister of the Parish of Lambton
