

I

And that dear little child
Who was so sweet and true
To me, my dear, my dear
Who was so sweet and true

I have a little baby
Who is so sweet and true
To me, my dear, my dear
Who is so sweet and true

The little baby who is so sweet
To me, my dear, my dear
Who is so sweet and true
To me, my dear, my dear

How I love you, my dear
Who is so sweet and true
To me, my dear, my dear
Who is so sweet and true
