

PARKS'
COTTON MANUFACTURES.

ESTABLISHED 1861.

COTTON YARNS,

Awarded the only Medal given at the Centennial Exhibition,
for Cotton Yarns of Canadian Manufacture.

No's. 5 to 10,

WHITE, BLUE, RED, ORANGE & GREEN.

Made of good American Cotton, with great care, correctly
numbered, and warranted full length and weight.

We would ask the purchasers of Cotton Warps to remember
that our yarn is spun on Throstle Frame, which make a
stronger yarn than the Ring Frames used in making Ameri-
can yarn. It is also better twisted and more carefully reeled,
each hank being tied up in 7 leas of 120 yards each. This makes
it much more easy to wind than when it is put up without leas,
as the American yarn is, and also saves a great deal of waste.
Those acquainted with weaving will understand the great
advantage it is to them to use yarn put up in this manner.

Cotton Carpet Warps,

Made of No. 10s yarn, 4 ply twisted.

WHITE, RED, BROWN, SLATE, &c., ALL FAST COLORS.

Each 5lb. bundle contains 10,000 yards in length, and
will make a length of Carpet in proportion to the number of
Ends in width. We have put more twist into this warp than
it formerly had, and it will now make a more durable carpet
than can be made with any other material. Since its intro-
duction by us a few years ago, it has come into very general
use throughout the Country.

BEWARE OF IMITATIONS.

None is genuine without our name on the label.
