

THOMAS LAILEY, Esq.,
Chairman Board of Home Missions.

It will not be difficult to recognize in the above cut a brother who has earned for himself an honorable position amongst Baptists of Ontario and Quebec. Over a quarter of a century ago during the existence of the Toronto Baptist Missionary Union Bro. Thos. Lailey took an active part in the good work done by it, both in liberal giving and wise counsel, and since that time he has been forward in many ways to help church extension and home mission work in Toronto and elsewhere. In 1868 Bro. Lailey was elected President of the Baptist Convention of Ontario, and subsequently at four different terms. He is at the present time Treasurer of McMaster University and Chairman of the Home Mission Board, beside holding other offices. How much of his time is freely given to our denominational affairs is best known to brethren living in Toronto.
