### FOUR THOSAND DOLLARS REWARD.

WHEREAS WILLIAM CONTES, of the City of Quebec, late First Teller, of the Branch of the Montreal Bank, established at Suebec, standscharged with feloniously stealing, in the monit of Erbrury tast, from the Office of the said Bank of Quebec, a large quantity of noise of the Mantreal Bank, amounting in the whole to nearly Ten Thou-sand Pounds currency; and whereas the said William Coates bath been committed to the common jail of sand Founds currency; and whereas the said William Courtes both been examined to the common jail of the District of Quebec, to take his trial for the said offence, and whereas the greater part of the said Notes so stoken, as aforeasit, has not been found or traced;—Notice is hereby given, that the above reward of ONE THOUSAND FOUNDS

ONE TRUCENIN FOUNDS

currency, will be paid to any person or persons who shall give information by which the whole of the said stolen properly shall be recovered, and a properly onate part of the above Reward according to amount which may be so found and recovered upon application to the undersigned at the office of the said Bank. In St. Pater. Street, in the either of Ounder.

tion to the undersigned at the office of the said Bank, in St Peter Street, in the city of Quebec.

A. SIMPSON, Cashler.

N.B.—The Notes stoken are principally Notes of 100 dollars, 50 dollars and 20 dollars each, of the Mongreal Bank, payable at Quebec.

### PROSPECTUS

QUEBEC & MEGANTIC LAND COMPANY. In Shares of Fifty Pounds each. PAYABLE IN TEN YEARLY INSTALMENTS OF

FROM \$1 TO £7 10s. EACH. DURING the administration of Lord Aybner, who at all times was rates auxious for the improvement of the Eastern journalphy, a purchase was track any any and a purchase was tracked of an unsurveyed Treat round Lake St Uran cis, in the County of Meganite, on similar terms at those granted by the H me Government to the Basish American Land Company.

those granisat by the H me Government to the He is American Land Company.

The purchase embraces a tract of 220,000 acree of Land of good quality, tying contageous to the ansurvered Block of the British North American Lend Company, within 50 miles of Quebec.

The projectors of the Company intended throwing open the Stock on receiving the confirmation of the Secretary of State for the Colonial Department to the safe time made by Lord Aymor, taking it for granified the same facilities would be gone to a Congrany, consisting of an viduals either natives of or created as the among the time the safe time facilities to the Colonial Department to English American Land Company, the greater part of the Siccibiothers of which reside in England. No such confirmation has as yet been given, the subject their preferred to the late Commission, the Secreecty of which in his last latter state—report had been sent to English, but since that panel, December, 1856, nothing has been Jone.

sent to rangular, as sierce that proof, Pengambe, 1836, nothing has been done. It is proposed to day is the Sock into 600 shares of L50 each, payable in ten annual instalments, va-rying from £4 to £7 IVs each. It will be well to say a few words in favour of that project and to saile at once that there will be no exclusion whatever of any class of ther Majos-tics, subjects, in the settlement of the track inclusion. ty's subjects, in the settlement of the tract, industry and sobriety being the requisites of those whom the

ly's subjects, in the settlement of the tract, industry and sobriets being the requisites of those whom the Compeny will be anxies to encourage. Meganile has been to long neglected, and unless some standius is given, 'y the prospects of extensive improvement, it is to be feared the well settled country on the chandies and the thriving Townships of Loods, haveness, Hrillan, &c. will be much related to the control of the chandier and the thriving Townships of Loods, haveness, Hrillan, &c. will be much relating 220,000 Acres within a day's journey of the city cannot fall of being interesting, for not only will all the necessaries of life be abundant but all property will be cannot of the former of the former to the former of the company will be carried on most economically, as only two Agerts and one Surrepor will be required, one of the former to reside at Lake St. Francis or where the most eligible site in the treat would be chosen for a town, and one in Quebec. A board of three unpaid Commissioners would be chosen for a town, and one in Quebec.

A board of three unpaid Commissioners would be chosen by the Stockholders under whom the Agerts would act.

The British American Land Company will doubt-

chosen by the Stockholders under whom the Ageria would act.

The Beitish American Land Company will doubtloss, act hand in hand with the present Company, if formed, for every additional rettler thrown in, near their unsurveyed tract, will enhance its value, and the projectors of the Quobec and Megantic Land Company feel assured that if it goes into operation it will add new life to their operations, as the Stocholders in England will think more favorably of the investment they have made in this Province when they see that residents are descross of making similar once precisely in the same tract of country Quobec, 23rd April, 1932.

Quebec, 23rd April, 1938.
