Massey-Harris

Built for Service

The real test of a Tractor is—will it do the work? The Massey-Harris Tractor has met this test and proved itself to be the Tractor built for service on the farm.

Constructed on sound scientific principles, free from any freakish contraptions, with a strong, sturdy Frame able to stand the severe strain of farm work, and an Engine with power sufficient for any ordinary farming operations. The

is just the right size of Tractor for the average farm, and is so simple that any farmer can easily operate it.

The name "Massey-Harris" on the Tractor is the farmers' best guarantee. It stands for all that is best in Farm Implements the world over, and represents over 70 years experience in supplying the needs of farmers. This long experience has enabled the makers to embody every worth while feature in the Massey-Harris Tractor, and so offer a Tractor equipped to render power for every purpose on the farm.

Also, in buying a Massey-Harris Tractor, you buy from a Company which makes both the Tractor and the Implements for use with it, and stands back of the whole outfit.
