John Smith had worked for the corporation for forty-odd years, and decided to quit. The company, in consideration of his long and faithful service, arranged to give him a monetary recognition. The superintendent of the works, a German, and an extra-good mechanic, was asked to present it. He was advised to use a little sentiment in making the presentation speech, and this is the way he did it: "John, you have worked for the company over forty years?" "Yes." "You are going to quit?" "Yes." "Well! They are so glad of it that they asked me to hand you this hundred dollars."

RHEUMATISM WEATHER, THIS

But Dodd's Kidney Pills Always Cure Rheumatism.

What They Did for W. H. Craine, and Why They Always Cure Rheumatism—They Remove the Cause.

Toronto, Ont., March 14.—(Special).—In these days of sudden changes of temperature, known to so many suffering people as Rheumatism weather, the experience of W. H. Craine, of 103 Gladstone Ave., this city, is of widespread interest. Mr. Craine suffered from Rheumatism. He is cured, and he knows the cure. It was Dodd's Kidney Pills.

"Yes, I know Dodd's Kidney Pills cured my Rheumatism," Mr. Craine states. "For after I started taking them I used no other medicine. I never cease recommending Dodd's Kidney Pills to my friends."

Dodd's Kidney Pills cure Rheumatism by putting the Kidneys in condition to strain the uric acid out of the blood. It is uric acid in the blood that causes Rheumatism. Cold or damp causes it to crystallize at the muscles and joints, and then comes those tortures every rheumatic knows only too well. Dodd's Kidney Pills cure Rheumatism by curing the Kidneys. The cured Kidneys remove the cause of the Rheumatism.

Send No Money Until You've Seen and Become Convinced this STEEL WATER TROUGH is Indispensable

Up-to-date farmers are replacing their unsanitary wooden water troughs with our sanitary STEEL WATER TROUGHS. You will do the same once you have become convinced of the superiority of our STEEL TROUGHS. So we ask you to mail us your name and address. Then we will send you one of our STEEL TROUGHS entirely at our expense. You don't pay us a cent until you are sure our STEEL TROUGH is simply indispensable to you. That's surely a square deal?

Our STEEL TROUGHS are the only absolutely sanitary water troughs. No corners or cracks for dirt to accumulate or germs to breed. Serious diseases, resulting in loss of cattle, are often caused from unsanitary conditions of wooden drinking troughs. Our troughs are made of heavy sheet steel, and extra heavily galvanized. Will not leak. Cannot rust. Nothing breakable. Nothing that will require repairs. Cattle cannot gnaw them. Practically everlasting. Shall we send our booklet giving full description? Better still, tell us to send the trough to you at our expense. Address: Dept. W.
