Free to Stock and Poultry Raisers

We will send, absolutely free, for the asking, postpaid, one of our large sixty-four page books on the common diseases of stock and poultry. Tells how to feed all kinds of heavy and light horses, colts and mares, milch cows, calves and fattening steers; also, how to keep and feed poultry so that they will lay as well in winter as in summer. No farmer should be without it.

NOW is the time to use Royal Purple Stock Specific. At a cost of only two-thirds of a cent per day per animal, it will increase it 25 per cent. in value. It permanently cures Bots, Colic, Worms, Skin Diseases and Debility. Restores run-down animals to plumpness and vigor. It will increase the milk yield three to five pounds per cow per day and make the milk richer.

Royal Purple is not a stock food. There is no filler used in its manufacture, and we import from Europe all the seeds, herbs, barks, etc., and grind them on our own premises. Therefore, we can guarantee it to you as being absolutely pure. We do not use cheap filler to make up a large package. We give you the best condition powder ever put on the market in a concentrated form.

A tablespoon levelled off, once a day, is sufficient for a full-grown animal. It prevents disease, keeps your animals in perfect health, and is absolutely harmless. It makes six-weeks-old calves as large as ordinary calves at ten weeks. You can develop six pigs ready for market in just one month's less time than you can possibly do without it, at a cost of only \$1.50, saving you a month's work and food.

A 50c. package will last a horse 70 days. A \$1.50 pail or air-tight tin, containing four times as much as a 50c. package, will last an animal 280 days.

If you have never used it, try it on the poorest animal you have on your place, and watch results. If it does not produce better results than anything you have ever used, or give you satisfaction, we will refund your money. Andrew Wegrich, of Wainfleet, Ont., says that he tried it on one cow, weighed her milk on the 16th—17 pounds; on the 29th she gave 22 pounds. Dan McEwen, Canada's greatest horse-trainer, says: "I have fed Royal Purple to The Ecl and all my race-horses for four years. They have never been off their feed. Your cough powder works like magic."

Mr. Tom Smith, trainer for the Hon. Adam Beck, says: "We had a mare in our stables

last fall belonging to Miss Cleuston, of Montreal. We could not feed her any bran on account of scouring. We commenced using your Royal Purple Stock Specific. The results were wonderful. We found, after using it three weeks, we could feed her bran or any other soft feed, and she actually took on 25 pounds during that time."

Royal Purple Poultry Specific

will make your hens lay in winter, as well as summer, and yet a 50c. package will last 25 hens 75 days, or a \$1.50 pail or air-tight tin containing four times as much as a 50c. package, will last 280 days. It prevents poultry from losing flesh at moulting time, cures and prevents all the ordinary diseases, makes their plumage bright, and keeps them in prime condition.

The W. A. Jenkins Mfg. Co., London, Ont.:

Dear Sirs,—Do you want a man to represent your Royal Purple goods in this district? I am from Ontario, and have fed your Stock Specific; got it from Mr. J. Corbett, of Brownsville. My cows, while using it, made the largest average, and tested five points over average at C. M. P. at Brownsville. I know your goods are the highest-class Stock Specific on the market, and take great pleasure in representing you in this district.

NORMAN G. CHARLTON.

In using our Stock Specific, we guarantee you better results by using the ordinary food grown on your farm, such as good hay, oats and bran, and so forth, than you can possibly obtain by using any of the many patent foods on the market. In these the percentage of nutrition is usually very small for the amount of money paid for same. You know exactly what hay, oats, bran, chop or any farm products cost you, and ROYAL PURPLE makes animals digest these foods properly.

An assorted order amounting to \$5.00 we will prepay. What we wish to impress on your mind is that we manufacture nothing but pure, unadulterated goods. Our booklet gives over 300 recommendations for our different lines from people all over Canada. While we give you above the names of a few who have used it, our best recommendation is for you to ask any person who has ever used any line we manufacture.

Royal Purple Sweat Liniment

will reduce any lameness in a very short time. Mr. John M. Daly, Coalman in London, says: "We have nine horses constantly teaming coal, and have all kinds of trouble with them being lame at times. I have used your Sweat Liniment for a year back, and have never known it to fail to cure all sorts of sprained tendons, etc." Price 50c., 8-ounce bottles; by mail, 60c.

Royal Purple Lice Killer
