BUSINESS IS BUSINESS

THE Western farmer wants a ready cash home
market for his product. Then he should pat-
ronize the home manufacturer, whose employees
consume what the farmer produces, and are able to
pay cash. Now, Mr. Farmer, "You scratch our
back, we scratch yours." Let every farmer in Mani-
toba buy

Hutchings' Harness, Saddles, Trunks, Valises, etc., etc.,

and take no other, as they are all home-manu-
factured and of the very best material—No. 1 hard every
time. In return for your patronage we could employ
300 to 500 hands, who would consume what you pro-
duce. Come now, business is business. Let us trade
together and keep our money in circulation at home,
and benefit each other. Send for catalogue, FREE.
