NOT MANITOBA SPECULATION!

NO SPECULATION ABOUT THE FACT THAT THE THOMAS ORGANS

ARE EQUAL TO ANY MADE AND

SECOND TO NONE!

Having received the highest honors at the Provincal Exhibition, 1881. pronounced by the judges to be UNEQUALLED FOR TONE AND WORKMANSHIP.

To show that we have confidence in these organs we are willing to place them side by side with any maker and let disinterested judges pronounce upon their merits.

THE CASE OF THESE ORGANS IS MADE OF THOROUGHLY SEASONED WALNUT, AND IS FURNISHED WITH IVORY REYES AND FIRST-CLASS ACTIONS

Each instrument is accompanied by the following guarantee.

GUARANTEE: That Organ No....., manufactured by E. G. THOMAS, is a first-class instrument in every respect, made from the best material and fluished in the most workmanlike manner, and I hereby warrant said Instrument for a period of SIX YEARS against failure of any part except such as may be caused by accident, misuse or neglect; and should such organ fail to give satisfaction as above stated. I bund myself to make it good, or exchange it for a new one of the same value within the time stated.

E. G. THOMAS.

The undersigned having secured the control of the above Organ in this county, [would respectfully direct the attention of those about to purchase an instrument, to the fact that he can furnish them with a first-class Organ or Plano for less money than any other agent or dealer. I am not selling on commission. I buy my Organs at as reasonable rates as any dealer can buy a first-class instrument, (I can myself buy cheaper organs, but not so good an article) and my exps ness being less than those of a dealer who has large rent, coal and gas bills to pay, I am enabled to sell at rates which they cannot touch. As to prices, I will furnish you with a No. I Organ, a tops, having grand organ and swell levers, for the small sum of \$75,\$ and other stiyes, at equally low rates. But as I wish to introduce these instruments, I will make a reduction of five dollars to parties who will take the trouble to come to Barns and examine not only the new instruments, but also old ones, some of which have been in constant use for five years.

ONE PRICE.

We have only one price. We do not ask \$30 or \$40 more than we will actually take for an instrument. Should an agent call on you or quote prices write us the style or name of instrument, say nothing of his prices, and we will quote our rates. It will pay you to write me whether you buy from me or not.

CATALOGUES FURNISHED ON APPLICATION.
