WANT AD HOROSCOPE

JULY 22:
This birthdate shows the passing out of the sign Cancer and the coming into the sign Leo which governs all birthdates from July 22 to August 22.

The sign Leo means the lion and is the middle sign of the fire triplicity in the Zodiac. The Sun governs this sign. The birthstones are the ruby and the diamond and the astral colors are red and green.

This birthdate gives great love for music and this love should be satisfied and given every opportunity for cultivation. Many of the finest singers and composers were born under the Leo sign.

All the arts, professions, higher calling in life work attract people of this birthdate, and if persistent they may reach the greatest success in any line.

This coming two weeks, the planetary conditions favor the advertising of rooms to let, houses for sale, and the placing of servants through the Want Ads. The Lost and Found Columns will be well patronized.

It Has Killed Hundreds.
Strong purgatives have killed many a good man. Costiveness is bad—violent cathartics are worse. If bothered with stomach trouble or biliousness, try Dr. Hamilton's Pills. They are so mild that you can scarcely feel their action, yet so effective that the entire system is cleansed of wastes. Dr. Hamilton's Pills move the bowels gently, they tone the kidneys, assist digestion, clear the skin. For those subject to colds, biliousness, languor there is no better medicine. Try a box. Box 44, Dr. Hamilton's Pills Co.
