SUNDAY JOY-RIDING.

There were too many joy-riders out on Sunday.
From 8 a. m. till 8 p. m. 55 cars past Zion Church going either west or east. Many of these were cars of necessity we might call them—Physicians church goes clergymen on circuit for Sunday engagements etc. but the great majority were out-and-out joy-riding gasoline burners.
These "best elements" of our Truro people were not among the joy-riders.

A prominent citizen says this suggestion of the Fuel Controller should now be made Law so that all the patriotic and the unpatriotic would be treated alike.

A Truro Clergyman and his assistant in filling Sunday engagements drove on the 29th, 50 mile and they only met two automobile on the whole run. This shows that thru the sections past in these country districts the good people are patriotic to the core and are doing all they can to save gasoline for war purposes.
The Doctors in New York City so careful are they not to be seen violating the patriotic suggestion of saving gasoline on Sunday have a large placard "Physician" on the front of their cars.

All credit and praise to those who are patriotic enough to take up with the suggestion and stop their joy-riding on Sundays.

STEWIACKE EXHIBITION.

Stewiacke, Sept. 27. About 300 people were present at the Stewiacke Exhibition on Thursday; and 1800 on Friday, (including the pupils of the different schools) who had the pleasure of hearing a splendid address by Prof. Cummings of the Agricultural College, Truro. Prof. Cummings was much pleased with the exhibits shown, they are among the best he has seen this year.

Mrs. Bishop of Truro is one of the efficient judges of the Fancy Work.
Prof. L. A. DeWolfe, of Truro was also present at the Exhibition and was much interested in the exhibits by the schools.

Mrs. A. D. Fulton and Mrs. Ella Rutherford have charge of the meals during the "Fair" at Stewiacke.

Mr. G. R. Marshall, who has the refreshment booth in charge, with his staff of helpers are doing a rushing business along this line.

The heavy down pour of rain this p. m. spoiled the sports outside the "Fair Biding". However there is good prospects of a fine day Saturday. The Exhibition will close tomorrow evening at nine o'clock.

OFF TO THE WEST.

Miss Lillian Whitman, of the Parsonage, New Ross, is visiting friends in town, and called at the Truro News on Sept. 28th. Miss Whitman leaves on October 1st for Craik, Sask., where she will take up her work as teacher in the new school that is being opened there.

Miss Whitman is a daughter, of Rev. A. Whitman who formerly occupied the Baptist pastorate at Onslow.

She has a married sister, in the western town to which she is going and all friends here in East, wish this clever young teacher every success in her western home.

REV. JOHN CLARK PASSES AWAY.

There passed peacefully to rest at the closing moments of the Sabbath day, Rev. John Clark, known better as "Pastor Clark." He had been in failing health for some months and all the medical skill and loved ones could do was done, but the end came and he has gone home.

Mr. Clark was born in Buckinghamshire, England, in 1848 and at an early age inclined toward the Ministry. He entered Spurgeon's Pastor College from which he graduated. After holding two pastorates in England, he came to Nova Scotia, 44 years ago, and became Pastor at Bridgetown. He had been Pastor of the following Churches in this Province:—Dartmouth; Temple (Yarmouth) Nictaux; Antigonish; Bass River; Westchester Station; Selma. He also served as supply for Zion Truro in the interim between Pastors.

He was a man of culture and refined Christian bearing. It was a benediction to converse with him on the things of the Kingdom. Many of the hearts that have been comforted by the heartfelt sympathy of their man of God.

He was married in April 1869 to Miss Annie Smart, of Bury-St.-Edmunds, Eng. Six children were born to them, two have preceded him to the better land; four are living: one daughter, Mrs. Walter Barnham of Massachusetts; three sons, Payson of Antigonish; Arthur of Edmonton, Alberta, and Roy, in the Western States. A most devoted wife, and a true help mate has been Mrs. Clark in all her husband's labors. These all have the sympathy of a large constituency, who knew the departed. Pastor Clark has preached for over 50 years; 44 of which were spent on this continent. His passing is a distinct loss. His "Arrow Points" were read and enjoyed by many. The Baptist denomination have lost a rare spirit and a true exponent of the word. But God who knows best, has "given his beloved sleep".

RIGHT FROM THE LAND OF THE HUN.

In a News window will be seen one of the most improved and latest German gas-masks, right from some Hun factory.

This mask has never been used and is a pretty heavy bit of armor to have over a soldier's face.

It is fitted out with extra glasses lest any in the mask should get broken. It is certainly an ingenious device, and only these in league with the Evil One could arrive at such perfection in this gruesome bit of armor.

This gas-mask was sent by Pte. James Womersley, now wounded and in the 73rd, General Hospital, France to his family at Bible Hill, Truro.

Take a look at it.

A FORMER TRURO FAMILY IN GRIEF.

Word has been received by Mrs. Charles Biswanger, Prince Street, East Truro, that her two nieces, Mrs. W. E. Wilson, and her sister, Miss Muriel Biswanger, of Dorchester, Mass. had died on Sept. 18th and 25th from the dread "Influenza" which is so prevalent in the New England States at present.

The deceased sisters, leave to mourn their loss, their parents, Mr. and Mrs. J. E. Biswanger, formerly of Truro, N. S. and one brother, Mr. Lewis Biswanger of Dorchester, Mass.

Mrs. Wilson is also survived by her husband and one child.

All Truro friends sympathize with the grief stricken families who have so suddenly had their loved ones laid low in death by the Influenza plague.

NINETY BEAUTIFUL YEARS.

How few comparatively attain to such an age; and fewer still with mental powers unimpaired! Such however is the happy experience of Mrs. A. N. Tupper who at her home "Pleasant View Cottage" Riverside Truro received the congratulations of many of her friends on the 26th September.

Bright and keenly interested in all that transpires, Mrs. Tupper is indeed a wonderful specimen of happy longevity; and although shade and sunshine have been intermingled—as is the case in every life—a total eclipse of the sun has never taken place. Having been endowed with a keen sense of humour she is able to enjoy the "funny side" of things; while a retentive memory enables her to recall those of long ago. With her on her birthday was her daughter Mrs. Chalmers of New Annan whose pleasing presence added much to the occasion not to mention her entertainment of her mother's guests. With Mrs. Lowe her granddaughter Mrs. Tupper is passing her declining years; and what more desirable than to be surrounded by those who love us when in the sunset of life—while with a firm trust in God who "doeth all things things well" we calmly wait His time for our "going home".

CHARLES McLEAN, DIED SUDDENLY AT PHILADELPHIA.

Word has been received by Mrs. Ross McLean, Doyle Street, Truro, that her son, Mr. Charles McLean, of Philadelphia, Pa., U.S.A., died on October 1st after only a few hours illness.

The decease leaves to mourn their loss his mother, and three sisters, Mrs. Ezra Chapman, Nashua, Mass., Miss Lottie McLean, Boston, Mass., and Mrs. Wm. Westbury, Doyle Street, Truro, N.S.

Mr. McLean, was a young man of sterling qualities and highly respected by all acquaintances.

By close application and study he had qualified himself for and recently became a Certified Accountant and held a fine position in the office of a large business house in Philadelphia.

All Truro friends of Mrs. MacLean, and her family sincerely regret and sympathize with them at this sad and trying time.

A number of years ago, as a small boy, Charlie McLean was employed at the News Office, where by his bright, industrious and genial characteristics, proved himself a very exemplary young lad, and all his former friends at the News Office regret to learn of his early demise.

The remains are expected to arrive here to night by the No 200 train.

Further particulars of the funeral will be given later in the News.

Y. M. C. A. FOR COLCHESTER COUNTY.

On Tuesday Oct. 8th, at 2.30 p.m. in the Y. M. C. A. Parlor, a meeting will be held to discuss a plan for boys' work for all Colchester County.

A. S. McAllister, L. A. Buckley and E. J. Arnot of the Maritime Headquarters, Halifax will speak. Messrs. McAllister and Buckley are well known in Truro and vicinity. Mr. Arnot is a new addition to the territorial staff as specialist on town and county work of the Y. M. C. A.

In other parts of Canada, counties are being organized for Boys' work. The United States has one hundred and fifty counties now operating under the plan.

The Truro Y. M. C. A. board has called this meeting and strongly urges that interested men from all parts of the county hear the presentation of the county-wide plan.

BIG INCREASE IN COST OF NEWS PRINT.

Newsprint by the Dominion Paper Controller has been increased to \$69 per ton.

The prices go back to July 1, and roll newsprint will cost \$3.45 per 100 lbs. in car load lots; less than car load lots \$3.52 1-2 per 100 lbs.

Sheet news will be \$3.92 1-2 per 100 lbs.

All prices F.O.B. Mills.

The contract for print for the Truro News was at the rate of \$1.94 per 100 lbs. F.O.B. Mills by the car load with a freight rate of 26 cents per 100 lbs. and now the cost is \$3.45 per 100 lbs, with a freight rate of 43 cents per 100 lbs.

This means an increase of \$33.60 per ton for paper landed in Truro; or an increase for roll newsprint—our raw material for running the newspaper business of over \$2500 a year!

The cost of all papers required in Job printing is relatively much higher.

Serious indeed is the problem, for the Newspaper publisher in these strenuous War times.

STELLARTON PIPERS BAND AND NEW GLASGOW BRASS BAND MADE GREAT HIT IN TRURO AT MERCANTILE FAIR.

Stellarton Pipers Band, headed the procession on the opening day of the Mercantile Fair in Truro. Their red tunics could be followed by the eye for a long distance. Many spoke well of this Band; and Mr. W. B. Cameron, who used to be once in Truro in the employ of W. H. Snook, & Co., deserves a lot of credit for the way the Band showed up. The G. W. V. A. thourly appreciate their kindness in returning to Truro the last day of the Fair, consequently keeping the spirit of enthusiasm up to the last hour of closing.

The New Glasgow Cadet Band, was last but not least in the Procession on the Opening day. Their youth and manner in which they played fairly took the town by storm, their conductor Mr. Wallard Murray, who is well known in Truro, has certainly every reason to be proud of these cadets.

By the enquiries made the Fair it is plain that the people would have been glad to have had them with us longer.
