"SWEETBRIER"

The drama of "Sweetbrier" scored another great success at its repetition in Delta on Friday evening. Kidney Trouble Quickly Cured

For Four Weeks, Mr. T. J. Coe, of Toronto, Was Confined to His Bed in a Paralyzed Condition, Unable to Move.

Drug Preparations Did Him No Good, But Powley's Liquefied Ozone Soon Destroyed the Disease Germs.

The Second Dessert-Spoonful Gave Him Marked Relief—in Two Days He Was on His Feet and in Less Than a Week at Work at His Office.

After the miraculous cure Ozone performed on myself I feel it my duty to speak and to suffering humanity to give you my testimonial regarding your most wonderful remedy. I lay on my back for four weeks with a most acute attack of kidney trouble. I was so ill that I was unable to move in my bed. I was in a paralyzed condition in the region of the Lumbar Vertebra. I employed, whom I consider one of Toronto's best physicians, but after four weeks' treatment I was little (if any) better. While in this condition I read an advertisement about a cure of kidney trouble by Ozone, and decided to try a bottle. After the second dessert-spoonful I felt a marked relief. After using Ozone for two days I was able to stand on my feet for the first time in four and a half weeks, and the fourth day I was strong enough to walk around. On the sixth day I came to my office and have been attending to my business ever since. I feel that I cannot find words with which to express what Ozone has done for me, and I will be most pleased to meet any person or persons you may wish to send to me in regard to the above. I have the honor to be, Yours very truly, (Signed) T. J. COE, Mechanical Superintendent Creelman Bros. Typewriters.

Kidney Troubles Cannot Exist Where Ozone is Used. Here is More Home Proof.
