

A Doctor's Medicine

Ayer's Cherry Pectoral is not a simple cough syrup. It is a strong medicine, a doctor's medicine. It cures hard cases, severe and desperate cases, chronic cases of asthma, pleurisy, bronchitis, consumption. Ask your doctor about this.

The best kind of a testimonial—
"Sold for over sixty years."

Made by J. C. Ayer Co., Lowell, Mass.

District News

FRANKVILLE

Mr Cannon has moved from near Portland to the farm he bought east of Lehigh's Corners, and is very welcome.

Friday evening, under auspices of the Epworth League, Rev C. J. Curtis of Addison lectured in the Methodist church on "Tramp Life in England," in a most entertaining manner. Miss Nina Cole of Brockville gave two solos, showing a finely cultivated voice and true personality. The quartet of Toledo church—Mr and Mrs Claud Marshall, Mr Sadler, Miss Clara Stratton—rendered three numbers in a way creditable to any town. Miss Pratt and Miss Lockwood presided at the organ. Rev. Mr Henderson filled the chair.

GLOSSVILLE

Miss Gertrude Sturgeon of Carleton Place was the guest of Mr and Mrs Willows Sturgeon last week.

Mr Samuel Good and sister Gertrude spent Saturday and Sunday at Maidland with their brother and his wife, Mr and Mrs Will Good.

Mr Charlie Goff's sister of Smith's Falls was a guest at his home last Sunday.

Mr and Mrs Jim Brown spent Sunday the guest of Mr and Mrs Alpheus Scott of Athens.

The funeral of the late Nelson Church, who died at Cranbrooke, B. C., was held at Addison on Thursday at one o'clock, from the residence of his father, Mr Levi Church. The Church was filled by the friends of the deceased, who had known him a life time. The remains were placed in the Athens vault. There are left to mourn his loss his father, four sisters and four brothers, namely: Messrs Alfred, William, Levi and Mills. Mrs William Johnston of Frankville, Mrs Samuel Brown of Addison, Miss Lucy Church, of Brockville, Mrs Osborne Tweedy of Toronto.

Eminent Pharmacists

Everywhere Acknowledge the Superiority of Vinol

If one person more than another should know the value of a medicine it is the retail pharmacist.

For this reason such testimony as the following should be convincing.

C. A. Patterson, the leading druggist of Charleston, W. Va., writes: "I have used Vinol for every member of my family, and have never been disappointed in the results. It is a pleasure to sell a remedy that gives such universal satisfaction."

Mr Chas. E. Rogers, Druggist, of Elkton, Ky., writes: "I consider Vinol one of the best remedies in my store, and sell more of it than any one medicine. I have also used Vinol in my family with excellent results."

Mr J. F. Bradley of New Brunswick, N.J., writes: "It is a pleasure to recommend the cod liver preparation, Vinol, as it gives such splendid satisfaction. As I have used it in my family, I can recommend it from experience."

The reason Vinol is so far superior to old fashioned cod liver oil and emulsions is because it contains all the medicinal, body building elements of cod liver oil actually taken from fresh cod's livers with all the useless oil eliminated and peptonated of iron added.

As a body builder and strength creator for old people, weak women, delicate children, after sickness and for all pulmonary troubles, Vinol is recommended by over 5000 of the leading druggists of the United States. Your money back if it fails. J. P. Lamb & Son, Druggists, Athens, Ont.

CHARLESTON

March was certainly ushered in like a lion.

Mr John Foster and Mr and Mrs T. Foster went to Toledo on Friday to visit Mr and Mrs John Foster and family before they leave for their home in the far West.

Mr and Mrs R. Foster treated a number of their friends to a grand party on Friday evening. Games, music and dancing were indulged in until the wee sma' hours.

Miss Eva Johnston was home for a few days last week on account of illness.

On Saturday afternoon about two hundred people witnessed the hockey match between Charleston Miners and Oak Leaf Wanderers, which resulted in 4 goals to 0 in favor of the Midgets. The players and their positions were:

Midgets	Wanderers
W. Johnston	Goal
A. White	H. Webster
H. Jeffrey	Point
L. Greene	S. Howard
A. Johnston	C. Point
R. Greene	C. Howard
	C. Yates
	L. Wing
	S. Haskins

MAKE IT YOURSELF

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses a ter each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood and system the poisons, acids and Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

COMMENT OF ANOTHER IFFER

To the author of, "If Only I Were Crawl."

If only you were Crawl, my friend, You'd "jag" the world from end to end; And make the very walking ring With shouts you'd shout and songs you'd sing. Invoke the muse and make things rhyme With boys and noise and sugar time; And do the world a heap of good—I'm sure you would; indeed you would.

If you had his poetic fire You'd bring the heavens a little nigher; And teach mankind to feel the glow Of songs of days of long ago, Recall the past, and sing in praise Of dear old friends of other days, And do the world a heap of good—I'm really would; I'm sure you would. —James A. Case.

Humors

Come to the surface in the spring as in no other season. It's a pity they don't run themselves all off that way; but in spite of pimples and other eruptions, they mostly remain in the system. That's bad. Hood's Sarsaparilla removes them and cures all the painful and disfiguring troubles they cause. Nothing else cleanses the system and clears the complexion like Hood's.

In Memory, Travelling Back

In renewing his subscription to the Reporter, Mr James A. Case of Alpens, Mich., says: "I could not well dispense with its weekly visits. You would think, after fifty five years of absence, there would be nothing in your local columns to interest me; yet there are many things that do." And in a footnote, Mr Chase adds: "Can you, and will you give the height of Blue Mountain above Charlston Lake? A description of the surrounding country as seen from its top would make an interesting bit of reading." In reply to this question we state that the Mountain towers 160 feet above the Lake; but as for the description we must leave that to some one of our many readers who has made the ascent.

\$100.00 paid by Dr. Shoop for my recent case of Grippe or acute Cold that a 25 cent box of Preventives will not break. How is this for an offer? The Doctor's supreme confidence in these little Candy Cold Care Tablets—Preventives—is certainly complete. It's a \$100 against 25 cents—pretty big odds. And Preventives, remember, contain no quinine, no laxatives, nothing harsh nor sickening. Pneumonia would never appear if early colds were always broken. Safe and sure for feverish children. 48 Preventives 25c.

The Best on the Market

Guaranteed to Cure Lame Back or money refunded!
An excellent remedy for Rheumatism, Lame Back, Etc., Etc.
Read the following testimonial from a man you all know:

Mr. W. A. Singleton, Portland, Feb. 8, 1908.
Dear Sir,—In the winter of 1906 I was laid up with La Grippe and unable to get relief from several other patent medicines. I was convinced by several of my neighbors to try St. Regis Lumbago Cure, and I can truthfully say it was the first thing that gave me immediate relief. Since that time I have never been without it in my house, and cannot speak too highly of it, especially for children, as it will break up a cold at once. I have also found it a sure cure for lame back.
You are at liberty to use my name for reference if you wish to publish it for the benefit of others. I am yours truly,
C. A. VANKOUGHNET.
If your dealer does not keep this medicine kindly ask him to order same for you as any sized order will be filled promptly.
