Christmas Handkerchiefs Now Ready.

A TREMENDOUS SACRIFICE OF HIGH CLASS DRESS FABRICS TO EFFECT A CLEARANCE

We want plenty of space for Christmas shoppers. Our store space is limited. Our Dress Goods stock is too heavy for this season of the year, hence this sacrifice of Dress Fabrics. Many lines of Dress Goods that are to be sacrificed are crisp new fabrics that have not as yet had the scissors through them. Read over this list carefully, then come and see the goods. You'll profit by frequent visits to this store during the first week of the month. Make it a point to visit this store daily during the next few days if possible, and share in these offerings.

Come Saturday for These

HE PLAYED WELL

Mr. John Smith, Chatham's noted pianist, has returned from Guelph, where he played for a big Domino dance. The Guelph Mercury has the following to say of the dance:

"A most enjoyable assembly was the Pink Domino dance, which was held at the City Hall last evening, and which was attended by a number of the younger members of Guelph's society. The music was supplied by Mr. Smith, of Chatham, ever a favorite here, and the joy was unconfined."

THE UNDERWRITERS

H. C. Champ, inspector for the Canadian Fire Underwriters' Association, came to town last Thursday and called out the department for a test. Good time was made, water being thrown in less than six minutes, everything worked satisfactorily, and the association was very much pleased along the same old report, including recommendations for further improvements, etc., but there is no prospect that our insurance rate will be lowered despite the fact that had not been a fire in the town of Ard. Tribune.

Mr. Clements Secures Some Valuable Information On Government Work

THAMES RIVER SURVEY

The following is taken from Hansard, the official recorder of the minutes of the House of Commons:

SURVEY OF THAMES RIVER.

Mr. Clements said:

1. What was the actual cost of the recent survey made by the Government in the River Thames, from the channel at the mouth of the River Thames to the city of Chatham, with the intention of deepening the channel to a depth of 18 to 20 feet?
 2. Has the Government abandoned the idea of completing the work?
 Hon. Sydney Fisher, Minister of Agriculture:
 1. \$2,031.91.
 2. No decision has yet been taken upon report submitted.

WIRE FENCING.

Mr. Clements asked:
 1. Has the Government built any wire fencing within the last twelve months on the boundary line in the Northwest between the United States and Canada, or elsewhere in the Canadian Northwest? If so, to what was the contract given, the price, and style of fence used?
 2. If none was built, is it the intention of the Government to any in the near future?
 Hon. Frank Oliver, Minister Interior:

Don't Forget That we Make

The clothing we sell; and that making our clothing enables us to save about one third of the price to you, besides many other advantages. Our clothes are better made and have more style than you will find in most stores. We are in close touch with the wearer, and naturally will cater to his wants, more carefully than the manufacturer who never sees nor wants to see the man who wears his productions.

Try us for your next suit or overcoat.
