SOMEBODY'S DUDE

Carefully combed are his raven curls
That lightly lie on his delicate brain
And in his fingers he languidly twirls
In ceasless motion a gold-headed care;
Some body carefully combed his hair
Was it his mother, whose sight now fades
Was it a blushing maiden fair,
Or a barber as black as the ace of spades.

There were dezens of men on the tracks.
There were dezens of men on the train

Let me beg young men, whose tastes reseat all so inclined, to remain upon the farm. It is a matter to be regreted that our young men find more to attract them to the cities, in merchandise, the trades and the professions, than upon the farm. We must think that they are deluded by the glitter and display, and the promise of good rewerd for little and light service. How like the delusion of the traveller was a terrible crash, the forward ends to the conductor came through our car on his way forward. This will give the opportunity of the was out of the conch, however, there was a terrible crash, the forward ends to the two papers on trial at the conductor came through our car on his way forward. This will give the opportunity of the was out of the conch, however, there was a terrible crash, the forward ends to the conductor came through our car on his way forward. This will give the opportunity of the was out of the conch, however, there was a terrible crash, the forward ends to the conductor came through our car on his way forward. The will give the opportunity of the was out of the conch, however, there was a terrible crash, the forward ends to the conductor came through our car on his way forward. The was out of the conch, however, there was out of the conch, however, there was out of the conch, however, there was out of the conch to the conductor came through our car on his way forward. eps always at a distance, never to ment and brought up in a field. be reached! The farm brings its difficul. It was God's mercy that every man ties and labors; but it always has its and woman was not kill outright, but,

Farms are too much under the control

Some one crept into the broken win.

SHORT OR LONG SERMONS,

segain for another hour would send most is far better. A young conege graduate, congregations into blank despair. If long a reporter on a weekly paper in a rural sermons are to be preached—which they city, thought, no doubt, that he had done may, by exceptionally able and eloquent men—they should be preached without a city thought, no doubt, that he had done some very "fine" writing when he handed the following to the editor: lengthened service going before; or, as "Our flourishing and prosperous young they are in Italy, where the preacher city was last evening the scene of the was last evening the seems of the most disasterous conflagration it has yet witnessed. The devouring element first bride please. When some one remarked of Dr Barrow that he had exhausted his ruljict, a wag replied, "Yes, and he exhausted his hearers too." A Yorkshire squire was so much put out by the length of the morning's armon that he took out his watch and deliberately held it up for the squire said, and by:

"An M. M. P. M. Wilding and the witnessed. The devouring element first broke out in the mercantile establishment of Horner & Co., which magnificant is consumed before its progress could be arrested in the slightest degree.

"Gur knights of the hook and ladder responded nobly to the changer of the squire said, and bly:

"Ferfectly insufferable" and left the church, followed by his serrants and tenanty—in fact by the whole congregation. The purson and clerk had it all to themselves. No rule can be laid dwn; a Wilbeforce might speak for an hour and no one but in the mercantile establishment of Horner & Co., which magnificant is consumed before its progress could be arrested in the slightest degree.

"Gur knights of the hook and ladder responded nobly to the changer of the look and ladder responded nobly to the changer of the squire said, and by its serrants and tenanty—in fact by the whole congregation. The purson and clerk had it all to themselves. No rule can be laid dwn; a Wilbeforce might speak for an hour and no one but in the mercantile establishment of Horner & Co., which magnificant in the slighted establishment of Horner & Co., which magnificant in the slighted establishment of Horner & Co., which magnificant is consumed before its progress could be arrested in the slightest degree.

"Gur knights of the hook and ladder responded nobly to the changer of the Wolfvilla of Wolfvilla

by the whole congregation. The parson and clerk had it all to themselves. No rule can be laid down; a Wilbeforce aught speak for an hour and no one be titled. When this elequent prelate was preaching in the cathedral of Cotton-opolis, for the Society for the Propagation of the Gospel in Foreign Parcs, an old merchant, who was more noted for his lenguets than for his benevolence, was so touched by what he heard that he rushed up the chapter-house steps with hundred pound note in his hard. In a fashionable London church the preacher drew such a vivid pleture of the distress in the poorer parts of the parish, that an officer in the Guards, who was in the congregation, said afterwards to the elegyman, "When you began I though of giving half-a-crown; as you can to I turned my purse round to at the gold and; but when you told of the parish and clerk and the propagation of the gold and; but when you told of its, parity covered by insurance."

In the congregation. Said afterwards to the elegyman, "When you began I though of giving half-a-crown; as you can to I turned my purse round to at the gold and; but when you told of the parish, that are gold and; but when you told of the parish, the gold and; but when you told of the parish, that are gold and; but when you told of the parish, that are gold and; but when you told of the parish, that are gold and; but when you told of the parish, that are gold and; but when you told of the parish, the gold and; but when you told of the parish, the gold and; but when you told of the parish, the gold and; but when you told of the parish, the gold and; but when you told of the parish, the gold and; but when you told the parish the gold and; but when you told the parish the gold and; but when you told the parish the gold and; but when you told the parish the gold and; but when you told the parish the gold and; but when you told the parish the gold and; but when you told the parish the gold and offended. The aggrega

That biszed with a glare like midday light where never a shadow of sorrow falls, Supply whether the ped at twenty minutes you would have Somebody's dude strolled in one night; got ten shillings out of me; when you would have Somebody's dude so young and so white, Wearing upon his inneent face.

Never a sign of manhoods might, [paste, But hissearf-pin showed a suspicion of sign of manhoods might, and up my mind to give nothing at less track and sell it for conditions.

There's never a doubt he is somebody's pet,
Somebody's heart has enshrined him there:

There were dozens of men on the train with Christmas bundles, dozens of women with Christmas packages, and as the alter-Some-body's heart has composed there;

Maybe the dude has a father yet,
Or a mother who waits at the head of the stair;
Maybe a maiden, with cheeks of rose, Is sadly awating the s missing link,
And there he stands in a beautifus pose, In the glamor and glare of the skating rink.

The Farmer's Advocate is published on or about the ret of each month, is hand-somely illustrated with original engravings, and furnishes the most profitable, plactical and return at Louisian and happy year.

They would also call the attention of the public to the fact that they intended the public to the fact that they intended the public to the fact that they intended to the public to the fact that they intended the public to the fact that they intended to the public to the fact that they intended to the public to the fact that they intended the public to the fact that they intended the public to the fact that they intended to the public to the fact that they intended to the public to the fact that they intended to the public to

Kiss him once for his grandmother's sake;
It is doubtful if ever she kisses him more:
