June 15-21 Chautauqua Week

This promises to be the best Chautauqua week, June 15-21 we have yet had. The local committee are very enthusiastic and getting at their work with the hope of having made it possible for the town of Cardston and district to have a Red Letter Week, from the viewpoints of Business, Entertainment, Recreation, Education and Inspiration. We know of no one who can afford to miss the opportunity of attending the Chautauqua Assembly.

Due to seventy community committees cooperating thru the Dominion Chautauques it will cost a fraction less than 25 cents per individual on a Season Ticket basis, to hear each of these splendid programs. Read the program and buy your Season ticket from Local Committee.

It's rather inconsistent to grouch about too much money going out of the district and then leave the buying of your tickets until the Chautauqua opens. Because then your local committee only gets 25 per cent instead of the whole of the price of your ticket and by purchasing from the Local Committee you assist in bringing to the Community the week's enjoyment at a minimum cost to the Community.

The schedule of Ticket prices is as follows: Adult Season Tickets \$3.00; Students (or High School age) 1.50; Children, 6 years old or over \$1.00; Children, under 6 years old free of charge.

Plant Trees

Tis Springtime, now let us plant some trees,
And watch them grow apace,
So that when summer days are hot
There is shade about the place.

Don't grouse around about the wind
You know 'tis always here,
But grass and seeds grow in the ground
So we should have no fear.

Put on your coat and mittens too
If you can't keep warm without,
But plant some trees
So there will be plenty shade about.

If you should feel to give it up,
And buddle round the stove,
Just think how hot was August sun
And that you had no grove.

The ground is getting warmer.
May is the month to plant,
So buckle on your armor
And don't say Oh I can't.

We all must work together
To beautify our town,
So plant some trees along the fence
And also on the lawn.

--Talitha M. Carlson
May 3rd, 1921.

From the ashes of the Cardston Globe, deceased, has risen a brighter, cleaner and newer publication known as the Cardston Review. Mr. Fred Burton is still its enterprising head with his brother, Ern, as manager. Much interest is being taken in the new paper by Cardston citizens and a press committee has been appointed by the Civic Club to assist in gathering news. Advertisers appear to be generous in their support of the Review, and provided this support continues, that paper is certain to rank among the leading Provincial weeklies.—Raymond Recorder.

CRANK-CASE
SERVICE
WE SELL
IMPERIAL
Polarine

Clean your Crank-
Case every 500
Miles-

Let us do your dirty work

Your crank-case should be drained, thoroughly cleaned and
refilled with Imperial Polarine every 500 miles.

Cleaning the crank-case is a dirty, disagreeable job. Let us
do this work for you. Prompt and satisfactory crank-case
service is assured to all who patronize us.

Dirty oil can't lubricate properly. Adding new oil doesn't
help much. Dirt, carbon and small metal particles are grind-
ing away the life of your motor right now if you have not
cleaned your crank-case recently.

Employ our Crank-Case Service regularly and you will be agreeably
surprised at the increased mileage you will get, to say nothing about the
increased satisfaction and years of service your car will give you. Call on
our Crank-Case Service expert before you forget it.

We sell and recommend Imperial Polarine and have the right grade for
your car.
