"CASCARETS" BEST IF HEADACHY, BILIOUS SICK, CONSTIPATED
Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Stomach headache, biliousness, coated tongue, head and nose clogged up with cold—always trace this to torpid liver, delayed, fermenting stomach.
Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing sickening headache.
Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.
A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.
