dan, presented seven months ago to the British Foreign Office by Lieutenant Colonel Stewart, of the 11th Hussars, may prove interesting. Colonel Stewart, it will be remembered, was selected last year to go on a special mission of inquiry into the Soudan. He resided for a considerable time at-Khartoum, and the school or "medressu" of a Faki (learned man, head of a sect of derviches,) who residerable time at-Khartoum, and the man, head of a sect of derviches,) who residerable time at-Khartoum, and the man, head of a sect of derviches,) who residerable time at-Khartoum, and of a sect of derviches, who residerable time at-Khartoum, and the man, head of a sect of derviches,) who residerable time at-Khartoum, and the man, head of a sect of derviches,) who residerable time at-Khartoum, and the man, head of a sect of derviches, who residerable time at-Khartoum, and the man, head of a sect of derviches,) who residerable time at-Khartoum, and the man, head of a sect of derviches, who residerable time at-Khartoum, and the money go to?

In reply to our charges in connection with the mismanagement of the Water Works, Ald. Wilson impliedly admitted them all by throwing the onus on other shoulders. With reference to the pump-man, head of a sect of derviches,) who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, who residence to the pump-man head of a sect of derviches, are the substitute and the dudition of the water of \$1,227. Our streets are in a dreatly contracted for \$60,000 worth of in rails.

NOTES AND COMMENTS.

Boston and St. John Markets, some editorial and local matters are crowded out this week. year to go on a special mission of inquiry into the Soudan. He resided for a considerable time at-Khartoum, and the results of his investigations are embodied in a lengthy exhaustive report. The country now occupied—or rather claimed by the Egyptians under the name of Soudan, covers an immense area. Its Soudan, covers an immense area. Its constitution of the South or from Soudan, covers an immense area. Its constitution of this tomb or shrine, although a political econstant of the south of this tomb or shrine, although a political econstant of the south of this tomb or shrine, although a portion of the North-West of which no information has hitherto been given to the public. In addition to this all Canadian writers of note are pressed in the following novel way, which will give the inhabitants of that town and district. The Sheikh of this tomb or shrine, although to responsibility and political econstant of the return of Mr. Glasier, of Sunbary. Soudan, covers an immense area. Its length from north to south, or from Assouan to the Equator, is about 1650 miles. Its width trom Massowah, on the Red Sea, to the western limit of the Darfour province is from 1200 to 1400 miles. To include this immense tract among when the western limit of the picus. He claims to be a designation of the original logals, and through lim, of Mahonet. Here he remained for miles. To include this immense tract of country under a single name is, however, mileading in the first place, it is inhabited by two totally distinct mechanisms of the properties in inhabited by two totally distinct research that is to say, north of the 11th parallel the country in the properties of the propertie the Nile and the Red Sea, in the neighborhood of Suakim, there is another listing to establish a universal equality, a distinct and ancient race of people, who speak a tongue of their own. The

more than sixty years ago the Egyptians formation, along with that collected from false rep seem first to have directed their attention other quarters, alarmed His Excellency however if the Council had passed an the directorate to be filled by members the district was divided into a number tion of the 3rd August 1881. of kingdoms and chieftaincies, and the light brown complexion. Like most Dongetty monarchs appear to have lived in a state of chronic war. In 1819 Mehemet is local head of the Gheelan or Kadridge is local head of the Gheelan or Kadridge statement was of course a reluctant action. The light brown complexion is local head of the Gheelan or Kadridge statement was of course a reluctant action. The light brown complexion is local head of the Gheelan or Kadridge statement was of course a reluctant action. Ali, anxious to find employment for his troops, sent his son Ismail with a large Abdul Kedir-el-Ghulami, whose tomb is, I troops, sent his son Ismail with a large army of regulars and irregulars to invade the country.
