

Canadian Pacific Railway.

TENDERS FOR TANKS AND PUMPING MACHINERY.

TENDERS will be received by the undersigned up to noon on SATURDAY, the 15th MAY next, for furnishing and erecting in place at the several watering stations along the line of the Canadian Pacific Railway under construction, Frost-proof Tanks with Pumps and Pumping Power of either wind or steam, as may be found most suitable to the locality.

Drawings can be seen and specifications and other particulars, obtained at the office of the Engineer in Chief, Ottawa, on and after the 15th April.

By Order, F. BRAUN, Secretary

Dept. of Railways and Canals, Ottawa, 1st April, 1880.
Fredericton, 7th April, 1880, law 1 May 18th

WELLAND CANAL.

NOTICE TO MACHINIST-CONTRACTORS

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Lock Gates, Welland Canal," will be received at this office until the arrival of the Western Mails on THURSDAY, the 5th day of JUNE next, for the construction of Gates and the necessary machinery connected with them, for the new locks on the Welland Canal.

Plans, Specifications and General Conditions can be seen at this office on and after THURSDAY, the 20th day of MAY next, where forms of tender can also be obtained.

Parties tendering are expected to provide the special tools necessary for and to have a practical knowledge of works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in case of firms—except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and further, an accepted bank cheque for a sum equal to \$250, for the gates of each lock, must accompany each tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rate and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

For the due fulfillment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work.

This Department does not, however, bind itself to accept the lowest or any tender.

By Order, F. BRAUN, Secretary.

Dept. of Rys. and Canals, Ottawa, March 29, 1880.
Fredericton, 6th April, 1880.—law 1 June 3.

WELLAND CANAL.

NOTICE TO BRIDGE BUILDERS.

SEALED TENDERS addressed to the undersigned (Secretary of Railways and Canals) and endorsed "Tender for Bridges, Welland Canal," will be received at this office until the arrival of the Western Mails on TUESDAY, the 15th DAY OF JUNE next, for the construction of swing and stationary bridges at various places on the line of the Welland Canal. Those for highways are to be a combination of iron and wood, and those for railway purposes are to be of iron.

Plans, specifications and general conditions can be seen at this office on and after MONDAY, THE 31st DAY OF MAY next, where forms of tenders can also be obtained.

Parties tendering are expected to have a practical knowledge of works of this class, and are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and in case of firms—except there are attached the actual signatures, the nature of the occupation and residence of each member of the same; and further, an accepted bank cheque for a sum equal to \$250 for each bridge, for which offer is made, must accompany each tender, which sum shall be forfeited if the party tendering declines entering into contract for the work at the rates and on the terms stated in the offer submitted.

The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.

For the due fulfillment of the contract the party or parties whose tender it is proposed to accept will be notified that their tender is accepted subject to a deposit of five per cent. of the bulk sum of the contract—of which the sum sent in with the tender will be considered a part—to be deposited to the credit of the Receiver General within eight days after the date of the notice.

Ninety per cent. only of the progress estimates will be paid until the completion of the work.

This department does not, however, bind itself to accept the lowest or any tender.

By Order, F. BRAUN, Secretary.

CONSUMPTION CAN BE CURED.

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lim and Soda will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and endorsed and prescribed by more physicians in Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrophulous, Anemia, General Debility, and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet is truly marvellous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, New York, September 2, 1876.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrophulous and consumptive cases, valuable and efficacious.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites, and find it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases.

Yours respectfully, A. H. SAKINSON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I can declare that it is the best preparation of the kind I have ever been brought to my notice; in all cases of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.

Yours truly, J. SIMONAUD, M. D., New Orleans, La. December 10th, 1878.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician pronounced it spinal trouble under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; ten symptoms appeared, night and morning coughs, night sweats and about breath, and a return of the spinal trouble. My blood stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I then all hope of the life and was given up for lost. I then tried Scott's Emulsion of Cod Liver Oil and before it was all taken I was better. I afterwards took a bottle of your Emulsion and before it was all taken I was better. I afterwards took a bottle of your Emulsion and before it was all taken I was better. I afterwards took a bottle of your Emulsion and before it was all taken I was better. I afterwards took a bottle of your Emulsion and before it was all taken I was better.

Very truly yours, H. F. SLOCUM, Lowell, Mass. January 20th, 1879.

Messrs. Scott & Bowne:—Gentlemen,—I have used your Emulsion and find it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases.

Yours truly, R. W. HAMILTON, M. D. LANS, Randolph Co., Ind., July 4, 1878.

About the 10th of April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk, and am gaining flesh and strength daily. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

I am gratefully yours, R. W. HAMILTON, M. D. Oct. 25, 1 year.
