JOURNAL CRIPPLES CHALLENGE STANDARD BALL TOSSERS
The employees of The Journal take this opportunity to issue a challenge to the ball tossers of The Standard to a series of games to settle the newspaper baseball championship of St. Catharines for 1919.

In issuing a challenge at this early date we do so in a spirit of sportsmanship, as The Journal nine feels that our Queen Street friends should be given a good chance to prepare for such a series, as after a long lay-off they must be badly in need of practice, and therefore should be given every chance to get in shape to put up a good game against the cripples from the Market Square, who for the most part are battle-scarred but are again ready to do or die in an effort to settle once and for all the question of supremacy.

And now that the cruel war is over, it has been suggested that an old-time picnic be held again by the newspaper employees, and toward this end the Journalites are prepared to play a series of baseball games, the losing team to defray the expenses of a feast gathering on the green.

If such a sporting proposition is acceptable to the men who help to keep Queen street on the map, they are asked to say so and at once, or for all time keep the peace.

THE WILLARD DEMSEY BOUT MAY BE IN OHIO
Toledo Called as the Scene of the Championship go on July 4th. by Matt Hinkel.

Cleveland, Ohio, April 21.—The championship battle July 4 between Jess Willard, heavyweight title holder, and Jack Demsey, challenger, may be held in Ohio. This was the tip handed out Saturday by Matt Hinkel, famous referee, who no doubt will be the third man in the ring when the big fellows meet.

"There is a move on among Ohio sportsmen to hold the fight in this State," said Hinkel. "And those talking it up want the battle fought in Toledo. This is not idle talk, my source of information is reliable."

Fighting in Ohio is not legalized, but State authorities have generally left the matter up to local authorities. Cleveland for years was without a fight, while Canton, Akron, Youngstown and other nearby cities held twelve-round bouts regularly and drew great crowds from this city. Now Cleveland has fighting again under control of a commission appointed by the Mayor.

In Dayton twenty-round fights have been held for years. They have never had much newspaper publication, being staged on the club plan.

The fights, if staged in Ohio, would probably attract one of the largest crowds in the history of the ring. This State alone would probably buy all the seats that could be erected. The central location would draw fans from many States.

Tex Rickard would promote the battle himself. No doubt Hinkel, who is the big fight man of the State, would be willing to help out.

HAMILTON LINKS GOOD

Ralph H. Reville Writes his Impressions of new Ambitious City Golf Course

In an article in the Toronto Star Weekly, Ralph H. Reville, editor of the Canadian Golfer, has the following to say regarding the new links at Hamilton:

"I recently visited the new links at Hamilton and found them worthy of every commendation. Situated only two and a half miles from the eastern limits of the city, an ideal spot has been picked for an 18-hole course. The land, sandy loam, is rolling, with the mountain in the background, and from many vantage points in the foreground can be seen the bay and lake, with Hamilton lying between. Many of the fair greens are well turfed, and play will be started this season, which is 'some going' considering that the project was only got under way a few weeks ago. Over 200 members have been secured for the new club, which has been christened Glendale, and it has been decided already to advance the price of a share from \$100 to \$150. This course has been laid out by Mr. George R. Harvey. The length will be 6,200 yards and there will be several feature holes. It looks to me as though Hamilton in a few years will not have one, but two of the finest inland courses on the continent. The terrain in and about the Ambitious City just seems to have been chosen by nature for golf courses.

of trouble to the Welland defence, Murdock in particular clearing his lines time after time. Martin made several efforts to get through for Welland and from one of his centres Dye tested Donaldson with a scorching end to end play followed and it wanted only three minutes to go when Gibson, who was playing a hard game, made an individual effort, Jones saving at the expense of a corner. A Hill placed finely and M. MacSporrnan, getting his head to the leather put the ball out of the reach of Jones, scoring the city's first goal.

The locals were passing when the whistle sounded for half time. Bull turned out for Welland in place of Sinclair who had met with a slight accident. The game continued fast, both teams trying hard to score. Dye getting through but shot over. Colquhoun let drive from 30 yards, but skimmed the upright. A miss kick by Bull let in McFarlane, who passed out to MacSporrnan and after beating Murdock centred to McFarlane, who running in, made it two up. Welland had not yet given up and Martin, who was always dangerous, got away on the right sent in a great centre and Donaldson allowing the ball to get away from him, Dye rushing in scored Welland's first goal. The excitement was intense and Welland continued to press and a few minutes later were again rewarded for their efforts, Martin again scored and the centre forward let drive hitting the post beating Donaldson all the way. This ended the scoring and when the final whistle sounded the local were pressing hard.

NOTES.
All Merritton signed players are requested to attend a practice on Tuesday evening.

Merritton have signed on A. Smith, a Glasgow Junior. He will probably play against Welland of Merritton on Saturday.

Shannan, Mackay, McBain and

Smith filed to turn up against Welland and this gave the juniors another chance to show what they could do. Taylor seems to have a bright soccer future, barring accidents.

Bob Barry was unable to get away from work Saturday but will be all there this week end against Welland.

Merritton will probably play the Port Dalhousie factory team on 9th Lum's fair grounds when alterations and repairs are completed.

The movie show in the Town Hall Merritton, under the auspices of the Merritton F. C. promises to be a big affair. The players have promised to attend and with a few extra turns on the funds of the Soldier's Memorial should get a big lift.

A general meeting will be held in the Town Hall, Merritton, on Tuesday at 8 p.m. All soccer fans invited.

Welland were best represented by the following: Jones kept a good goal and Murdock was the same full back. Of the halves Bul and Colquhoun played a good game and the forwards, Martin and Dye made some fine moves. Martin in particular getting in some fine centres.

Jimmy Dakers has decided to get out to practice and will be seen on the Lacrosse grounds on Wednesday night in preparation for the first league game of the season.

A special meeting of members and players will be held at the Ellis House after practice on Wednesday night. All come.

M. MacSporrnan and McFarlane made an ideal left wing.

NERVE EXHAUSTION
The Great American Disease. There are numberless people who do not call themselves sick, and yet they feel nervous, weak, listless and tired most of the time. They have no ambition or endurance to work—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable; they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion, belching of gas, pains in the stomach present. Sleepless, wakeful and restless nights follow. They become drowsy after meals and the brain tires easily.
