Party-Line Consideration

A two-party line is a single circuit, shared in common by two subscribers. It is not reserved for a single user and should be used on the share-and-share-alike basis.

On a two-party line, it is possible for both users to try to talk out on the same circuit at the same time. There is also the liability of both being wanted at the same time to receive incoming calls.

Therefore, there are special considerations which we urge a party-liner user to keep in mind:

1. Long conversations prevent the use of the line by the other subscriber; therefore party-line talks should be as brief as possible.
 2. Whenever another party-line subscriber requests the use of the line for an emergency, courtesy should be prompt the first user temporarily to give up the use of the line.
 3. Whenever a party line subscriber takes the receiver from the hook and finds the line in use, the receiver should be replaced at once in a careful manner.
 4. At the end of a conversation the receiver should be replaced upon the hook immediately, otherwise the other subscriber cannot signal the central office.
 5. Be sure always to give the operator the letters W or J in calling a party-line subscriber.

When The Day Is Over

When the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Dr. Pierce fifty years ago.

Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening pains, irregularities, and for the many disorders common to women in all ages of life.

Oridia, Ont.: "I suffered from a bad case of woman's trouble with backache, nervousness, disordered digestion, irregularity and I had great pain all the time, sometimes I would faint at my work. I had one physician after another but they did me no good. I then took Dr. Pierce's Favorite Prescription and it fixed me up all right. I look much better and feel fine. I will recommend the 'Prescription' to all suffering as I did." MRS. MAYBELLE B. GRATIEX, 115 Albert St.

Write Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for confidential advice and you will receive the medical attention of a specialist, wholly without fee—no charge whatever.

Laid to Rest

The remains of the late Bessie Shepherd, beloved wife of James S. Douglas, were tenderly laid to rest in Victoria Lawn Cemetery on Thursday afternoon, among many and beautiful flowers which were conveyed to the cemetery by special motor. The funeral which was private, was held from the family residence, 48 Lake street, and was conducted by Rev. Dr. George H. Smith, pastor of Knox Church. He took his text from 1st Samuel, 20th Chapter, 18th verse: "And thou shalt be missed because thy seat shall be empty." Dr. Smith made touching reference to the useful life deceased had lived, especially the tender way in which she cared for her family, and her ambition to bring them up in the perfect way which she had lived before them. Her life no doubt was a complete one which was evidenced by the peaceful way in which she responded when the angel of death summoned her to her reward. Those who acted as the bearers were: J. H. Campbell, J. A. Abbs, F. N. Rutherford, G. L. Sherk, James McIntosh and James Read.

Socialists Object to Brutally Stolen Princes and Be Crime,

BERLIN, March 6.—The bills regarding the Hohenzollern compensation have been referred to a committee of twenty four, which will report to the Prussian Convention on the advisability of transferring settlement to the National Convention, the latter having, under Article 153, to create separate law for expropriation of the State's benefit. Though this move has prevented an immediate government crisis it has only delayed, for the Socialists are determined to retire if the other parties upon endorsing the Hohenzollern with the means to destroy public; in other words, if the agrarian and Centrist parties refuse to consider the question not from the sanctity of property but, but also from the political general aspect.

Vorwaerts yesterday explains the Socialist party does not disapprove the Hohenzollerns' right to property acquired, but certainly wishes to confirm them in the possession of much ill-gotten wealth, of which, like that of the House of Hannover, was brutally stolen. Dr. Cody I

No Longer Has Any Simply to

Toronto, March 5.—Hon. Dr. Minister of Education in the H. Government, is quitting probably before the session next Tuesday. Hon. Dr. Cody has seen Hon. G. Howard, Ferguson, leader of the Conservative party Ontario, and his resignation simply to pass the formal stage. This will leave "A" seat, New York, Toronto, without a representative in the legislature for at least part of the coming session. A bill can be issued for a selection.

Hon. Dr. Cody has no political ambitions. Since the defeat of the Government he has had the intention of abandoning public life, although it was understood those in close touch with him would remain for the session to take public office to put into department some reforms which thought were required in the school system of the province was understood that he would "mix up" politically. His object was legislation as it affected education. The defeat of
