PLEASANT SOCIAL GATHERING.

The Epworth League Entertain their Friends in the Methodist Vestry.

The commodious vestry of the Metho-

dist church was filled with a happy com pany Monday night. It was a literary and musical social gotten up by the Epworth League. Shortly before eight o'clock the gathering was called to order by J. J. CRISP AND TO THE POINT. Weddall, president of the League. In a TO VISIT FREDERICTON AND GIVE brief address he welcomed all to the social, and said the members of the League would do all in their power to aid their guests in spending an agreeable evening. During the successful labors of Hunter and Crossley in Fredericton many additions were made to the membership of the different churches, and the League adopted the present plan to form the acquaintance of those who have become attached to the Methodist church. He claimed that as an adjunct of the Methodist church, the League

is doing much good, and he hoped many resent would lend their aid in accomplishing even greater things. Pastor Tippett, always a favorite with his people, was here, there, and every-

where, seeking to promote the pleasure of Regret was expressed at the absence of Rev. Dr. Brecken, who was attending the W. C. T. U. anniversary.

There was considerable singing during the evening, all from the Songs of Salvation, and Miss Lillie Hogg presided at the chief, was drowned opposite Campbellton

The pledge of the active and associate nembers of the League was read by Miss for the sum of \$425, he to pay all travel-Vandine, and Miss Segee took the names of several new members. The vestry was prettily decorated, and

the general success of the evening is much

to the credit of the Epworth League. CHRISTIAN ENDEAVOR SOCIETY Formally Organized by the Young Pres-

The young people of St. Paul's church met Monday night and completed the organization of a Christian Endeavor

byterians.

The meeting opened at 7.30 with Mr. R. Blackmer as chairman. After prayer and singing, the minutes of Friday evening's meeting were read

and approved. The constitution of the Y. P. S. C. E. was then read and adopted, and names of members registered. The society starts out with a membership of twenty-eight, of whom twenty are

THE CITY COUNCIL

Will ask Engineer Chipman of Toronto,

THEM A REPORT ON THE SEWERAGE QUESTION.

An informal meeting of the City Council was held last Wednesday for the purpose of selecting an engineer to prepare preliminary plans for a complete system of sewerage. There were present His Worship the Mayor, Ald's Lemont, Gilman. Adams, Everett, Limerick, Babbitt and

Anderson. The Mayor announced that the City Clerk had written McDongall & Son of Montreal, as directed by the Council at the last meeting, but had not received a reply. They had received a communication from Mr. Chipman, and also another from Hedenburg & Kinsey. He then proceeded to read to the Council the communications that had been received from different engineers, from time to time. Mr. Chipman offered to prepare plans, together with an estimate of the cost, of system that he thought would be

Best Adapted to the City, ling and other expenses, and the city to pay for printing, lithographing, etc. If the city accepted his offer he would arrange to come here about the 9th of December, and remain two full weeks. Mr. Chipman appended a numbed of very flattering testimonials from places where he had been employed, and also communications from Hon. A. G. Blair, Hon. H. R. Emmerson, and William Chandler, city solictor of Moncton, all speaking very highly of his work in connection with the

recent Moncton arbitration. The other offers that had been received were from, Mr. Coffin of Boston, \$500 Mr. Potter of New York \$550, and Messrs. Hedenburg & Kinsey, for \$200. All of these gentleman furnished

Flattering Testimonials and References Ald. Gilman was very favorably impressed with Chipman's offer, and the very lucid manner in which he had pre-

scribed his case. opinion. He was in favor of securing the school being given that position. best man obtainable, get his report and then get a second engineer to examine into the matter, and say what he thought

Before the Work Went On. Ald. Babbitt rather liked the mayor's

suggestion, and wanted to know if the St. John engineer would not do. Ald. Lemont thought they might well have the opinion of our own city engineer. If they were going to employ any second engineer they might as well

ave an expert. The Mayor thought that after the first report had been prepared they could get man to examine it for about \$250. Some of the aldermen thought they had better get the cheapest man for the first report, so as to leave a margin for the

Ald. Lemont did not think much cheap men, and did not think that from stated in the contract as the number of that city. the Woodstock references of Hedinburg & days actually taught bears to the whole Kinsey would be able to give them much information on sanitary maters. The Mayor read over a list of the names

that several of the other applicants had furnished as references, and said they did not seem like the kind of men he would go to for information in a matter of this branch of the Nigadoo river were sold to kind. Potter had furnished better references than the other men. His Worship liked the way Chipman Had Stated His Case:

everything was so plain that it could not served on the board on behalf of the be misunderstood.
