SCROFULA

and all eruptions of the skin, Scrofula,
Eczema, Itch, Ringworm, Tinea,
Carbuncles, Boils, and Eruptions
of the Skin, are the direct result of an
impure state of the blood.

To cure these diseases the blood must be
purified, and restored to a healthy and nat-
ural condition. AYER'S SASSAPARILLA has
for over forty years been recognized by emi-
nent medical authorities as the most power-
ful blood purifier in existence. It frees
the system from all hot humors, cures
and strengthens the blood, removes all traces
of mercurial treatment, and gives relief to a
complete host of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with
scrofulous eruptions on my legs. The
lesions were badly swollen and inflamed,
and the sore discharged large quantities
of offensive matter. Every remedy I tried
failed, until I used AYER'S SASSAPARILLA,
of which I have now taken three bottles,
with the result that the sores are healed,
and my general health greatly improved. I
feel very grateful for the good your
medicine has done me."

Yours respectfully, MRS. A. O. BAKER,
16 Sullivan St., New York, June 24, 1882.

ALL persons interested are invited to
call on Mrs. O'Brien at her residence,
No. 7, P. O. Office, 10 East 4th Street,
New York City, who will take pleasure
in testifying to the wonderful efficacy of
Ayer's Sarsaparilla, and only in the case
of this lady, but in his own case and
many others within his knowledge.

The well-known writer on the Boston Herald,
R. W. BALL, of Rochester, N.H., writes, June
1, 1882:

"Having suffered severely for some years
with Eczema of the skin, I finally found relief
from other remedies, I have made use, during
the past few months, of AYER'S SASSAPARILLA,
which has effected a complete cure.
I consider it a magnificent remedy for all
blood diseases."

Ayer's Sarsaparilla

stimulates and regulates the action of the
digestive and assimilative organs, restores
and strengthens the vital forces, and speedily
cures Rheumatism, Neuralgia, Eczema,
the Gout, Catarrh, General Debility, and all
diseases arising from an impure or
corrupted condition of the blood, and a weak-
ness of vitality.

It is incomparably the cheapest blood medi-
cine, on account of its concentrated strength,
and great power over disease.
