Sir Wilfrid Laurier is to continue to

New York, Sept. 23 .- With reference to the men and religious move-ment which has behind it the millions of J. Pierpont Morgan and many others, the promoters say it is to differ from all previous religious crusades in that the supreme effort will be to take the church to the people rather than the people to the church, and it will be characterized by a spirit of broad humanity, by the personal contact of the workers with those needing uplift, rather than by the mere preaching of the gospel to gathered thousands.

night when, at the Metropolitan Club, James G. Cannon, president of the Forth National Bank and chairman of the entire movement, entertained at dinner the thirty men who are going out to give the first impetus to a task which involves visits to ninety of the leading cities on the North American continent, and from which the work will be mushroomed until it reaches the smallest crossroads towns Canada and the United States. Large Employers Interested.

corporations have agreed to give to opinion of Zam-Buk. He says:

"I never used anything that gave me such satisfaction as Zam-Buk. I had a patch of Eczema on my ankle which had been thore for over 20 years. Sometimes also the disease would break out on my shoulders. I had applied var.ous ointments and tried all sorts of things to obtain a cure, but in vain. Zam-Buk, unlike everything else I had tried, proved highly satisfactory and cured the allment. "I have also used Zam-Buk for itching piles, and it has cured them completely also. I take comfort in helping my brother men, and if the publication of my opinion of the healing value of Zam-Buk will lead other sufferers to try it, I should be glad. For the relief of suffering caused by Piles or Skin Diseases I know of nothing to equal n their stores and workshops. Night workers will have equal optunities. Newspaper offices, post offices, railroad workshops, police in which men work at night will be visited, and these men will be argued

There is to be, according to the comoters of the movement, no sectarianism, no sensationalism and little or no evangelical exhortation in the work. The plan is as far as pos sible to take every man by the hand, to help him in material things if h needs help, and thus enfold him in the Christian faith

of them discouraged the idea as being so stupendous as to be impracticand spirits. His decision, though it able, but finally he enlisted the aid o leaders of the Protestant faiths in North America, and work was begun. Now, with the preliminary plans practically completed, there are more engaged in the couse, which is known as "the ven and religious forward Special effort is to be movement.'
