**The Standard
 Recipe**
 for Home-made Self-Raising Flour.
 To every pound of ordinary flour
 add 2 ozs. (one 5 cent tin) of
"Paisley Flour"
 The SURE raising powder.
 and mix dry. Mix it fresh every time—it
 only takes a minute. Stir round till the
 lighter coloured Paisley Flour disappears and
 sift through a dredger.
 In this way you have a self-raising flour
 superior to anything you can buy—one in which
 the raising powder has lost none of its virtue by
 waiting, exposure to air or damp in shops, etc.
 And it will cost you no more, if not less, than
 ready-made self-raising flour.
 Paisley Flour is sold in 22c., 14c. and 5c. tins.
 The 22c. tin will raise 7 pounds of flour.

**A BIG BARGAIN
 IN FREEHOLD.**
 I will sell, if applied for at once,
 1 Dwelling House, built five years ago,
 containing five large rooms with small
 kitchen in the back; also fine large
 Stable, with about seventy feet of
 land frontage. This is freehold prop-
 erty and would be a good invest-
 ment, or would be an ideal spot for
 a cabman or truckman; it has no con-
 nection with any other houses, and
 has an entrance on two streets.
 I have also for sale 1 Buggy, in per-
 fect order, which I will sell cheap to
 close sale immediately.
 For full particulars apply to
