The great problem now agitating thas been considerably impaired by the minds of all who supply for the

ject, which says in part-"We also ly, the large number of fishermen have the best reasons to believe that and planters who will be able to sup-Germany is keeping her troops under than ever before. Those number more than ever before. arms on the pretext of economic necessity," and adds that "Germany is keeping up her military strength, so that she can send a delegation to the Peace Conference to discuss the peace conditions imposed," from mobilize is due to her expectations, aided by a show of military strength, of having a say in the final terms of neace. The words of the Foreign Secretary as quoted above amplify

Marshal Foch is given, as the , authority, by the Daily News correspondent for a comprehensive summing up of the situation, and detlares-"The Germans are beginning to forget that they are beaten. They are, too, apt to forget that we are in s.s. Wellington, which was expected here to load fish on or about the state of war. They have been slow in handing over transport and other things and they are causing a great leal of difficulty." Furthermore Foch states "that the Germans are not coninuing to demobilize at the same rate as the Allies, and there is danger if Germany saying, "We do not care inything about your League of Naions, and we have our troops.' Unless," the French Marshal continues,
'a change takes place we might be
laced with a situation in which Gernany, as regards the number of mon inything about your League of Na-

arms, as against the Allies' two." The Daily Mail corresp port of Foch's statement, adding that

in the event of a breaking off of negoplacing an army of three million in the field within two months. The new conditions to the armistice, extended from yesterday, are said to be so exceedingly severe as to make a renewal of war impossible, but that is only, if pressure is put Collins, Bishop, Callahan, on Germany to carry them out. Kelly, Mercer, Whitten, Should she fail to observe the fresh terms, as she has failed to comply Mooney." with the original provisions, there is

only one thing left to do, and that is apply the screws. The Allies have been altogether too weak in their policy toward the Germans, and the latter have not been slow to take ad-

Sir Wilfrid Laurier.

The Right Hon. Sir Wilfrid Laur-ier, P.C., G.C.M.G., D.C.L., LL.D., K.C., whose death occurred at his home, Laurier Avenue, Ottawa, yesterday, was born at St. Lin, Quebec, November Vas Born at St. In., tatabase 21st, 1841, being in his 78th year: was educated at L'Assomption College, McGill University, taking his B.C.L. degree in 1864. Admitted to the Bar 1864: Q.C., 1860. Entering public life in 1871, he was elected to the Quebec Parliament, representing the constituencies of Drummond and Arthabaska. In 1874 he resigned provincial Mackenzie Administration being however, found for him when the voters of Quebec East, promptly elected the liament. Following the defeat of the Mackenzie Government in 1880, Wilfrid Laurier sat on the Opposition Canadian Prime Minister, a position which he held with honor until 1911, when the Conservative Party, led by fused to coalesce with Borden in 1917.

Padre Lectures.

To a packed house Rev. to passive resistance, that the news- Clayton lectured at the C. of E. School, papers of Britain, of all shades of Quidi Vidi, last evening, speaking of tion to the attitude adopted by the present war. On the platform with present war. On the platform with him were Corp. Frampton, who was a prisoner of war in Germany, also Corporal Coysh. Corporal Frampton, who was a pleasant time is assured all who attended to the company's business is to be lived, and he was unable to move found in the fact that during the past of the Company's business is to be lived, and he was unable to move found in the fact that during the past of the Company's business is to be lived, and he was unable to move found in the fact that during the past of the chair and was most entertain-Bulgaria, Turkey, Austria, have all ton also told in an interesting obligations and no request for ex-tension came from the Government. such as they were, of these countries. Berths Scarce.

Quarantined at Sydney

The Nfid. members of the crew of the s.s. Wellington, homeward bound by rall from New York, have been placed under quarantine in a Sydney boarding house, a soldier staying there with them having developed smallpox. The following messa, was received by the Telegram at o'clock this afternoon: "Crew of steamer 'Wellington' quarantined at soldier having smallpox. Put names in Telegram so families will know: Purcell; also three other passengers, Pte. Abbott, George Cole, Bernard

Fishery Prospects.

Later reports from Channel say that fishery prospects there are very good. About 40 boats are engaged in fishing, but only three schooners, the latter have about 200 qtls., secured in one haul. The weather for the past week has been good and for five days. the boats were on the grounds. There is sufficient bait for use and consequently the fishers fared well.

Reids' Boats.

Ethie not reported. Glencoe left Grand Bank at 2.20 o.m. yesterday, going west.

Kyle — Marconigram yesterday: "Wind N.E., ice packed tight on land; impossible make North Sydney; proceeding to Louisburg." Not reported

Meigle in port. Sagona arrived at Port aux Basques at 2.10 a.m. to-day.

McMurdo's Store News

TUESDAY, Feb. 13, 1919. Here are two new but seasonable and very acceptable specialities: Cin-u-form Lozenges, and M. K. and R. Solid Iodine Cin-u-form Lozenges maldehyde and Menthol, all powerful germicides and antiseptics against put up in a very agreeable form you need have little to fear in that way if you use Cin-u-form Lozenges judiciously. Price 40c. The second specialty, Solid Iodine, presents this popular antiseptic and

emedial agent in an extremely convenient form, as a solid application in a tube. The paste may be used for cuts, scratches, and in certain type of inflammation and swelling; and is much cleaner and more economica than liquid Iodine, and at least as effective. Price 40c. a tube.

Hr. Grace Notes.
