Took Ship Through Raging Inferno.

GREAT BRAVERY OF GLASGOW

A fine story of the courage and determination characteristic of the British sailor is told in the Galveston RRESPONDENTS:-Anxious Daily News" of December 24 last regarding the saving from certain destruction by fire of the British steamer Aschenburg, 6.394 tons.

steamer Aschenburg, 6.394 tons. The skipper of the Aschenburg, antain Wallace Mackenzie a Glas-There is nothing so enjoyable, Captain Wallace Mackenzie, a Glasa newspaper correspondent, "as gow han, found his ship surrounded correst the water to Ireland" by wells of fire while lying in dock p across the water to Ireland. by walls of fire while lying in dock , of course, a trip back again. at Galveston through an explosion on board a barge. The Aschenburg was number of Huns are receiving trapped in the extreme south end of rosses through the post incrib-Your Fatherland does not forget low like Germany! She won't burg's crew sought safety ashore. serrated appearance of this range, Captain Mackenzie kept his place the word being Spanish for "saw." aboard his vessel, and when her bow A "cur," from the Latin curtus, is Let Christmas come," says a conary headline. We have arranged of securing assistance from a tug short; hence also the word "curtail" her out himself-and under her own we find "saunterer" sprung from La Minneapolis judge rules that a steam. Some of his seamen, realized Sainto Terre (the Holy Land), has the right to declare himself ing the danger, left the ship. Louis whither pilgrims were wont leisurely of the household. Opinion in this von Drome, a former member of the to journey. y agrees that he has the right fire department, who had volunteered to fight the fire, offered to take the trip, as did also Albert Goudge, son gineer at his post and six members captain, the vessel got under way. Swinging her bow off the docks, the big yessel, loaded to her Plimsoll

Mullaly, pire Parliamentary Association. It is expected the chair will be ready for the opening of the next session of the Dominion Parliament, and it had been suggested that Speaker Lowther should go to Canada during the Christmas adjournment of the British House. But as the Speaker remarked, Christmas holidays for the British Parliament seem to be gradually receding, and it was impossible for him will be held on March 3rd at 8 o'clock, to spare the time. He hoped, however, to be able to visit Canada at Easter or Whitsunside. Having occupied the British chair for fifteen years he thought that he was well qualified to explain its advantages and disadvantages to his Canadian

> colleagues. Sir James Lowther is a distinguished member of an ancient and distinguished family, associated for centuries with Cumberland and Westmorland. For twenty-five years his father the late Hon. Wm. Lowther, represented Westmorland in the House of Commons, and since 1886 the son has represented the Penrith Division of Cumberland, and since 1905 he has been the Speaker of the House- a worthy successor of a long line of able men who presided over the deliberations of the elective branch of His college career was brilliant.
