A Cool Kitchen.

JUST TURN A VALVE.

The Oliver Oil-Gas Burner makes cooking in summer a pleasure instead of a task. Gives heat when you want it, and only when you need it. Does away with coal and wood—cheaper. Makes your stove or range a gas stove. No fires to make. No ashes, dirt, smoke, odor, chopping, shoveling—carrying coal or wood. Makes your stove bake better, cleaner, quicker. Thousands in use over 10 years. Doesn't change your stove, just sits in fire box, absolutely safe. Lasts lifetime. Makes gas from coal oil (kerosene). Saves money, time, labor. Burners to fit all kinds of stoves. Call and see it demonstrated at 30½ Prescott Street. If you cannot come tell us and we will demonstrate it in your own home. may12,12i
