## In the Realms of Sport

### OUTER COVE'S NOTE OF THANKS.

Editor "Realms of Sport."  
 Dear Sir—Will you kindly allow me space in your valuable paper to make a few remarks concerning our Regatta and the way we were treated on that day. We rowed in the Cadet three years and on Regatta evening we were turned out of her and only for the kindness of Mr. Reid, we would be wiped out altogether. The coxswain and crew wish to thank Mr. Reid for getting us a boat to row on that day. Only for him we would have had no part in the races. Thanking you for space, I remain  
 Yours truly,  
 OUTER COVE.

### LAST NIGHT'S FOOTBALL—B. L. S. THE VICTORS.

Last night's football match between the Felidians and B.L.S. team was attended by a fair gathering of fans, and resulted in a win for the B.L.S. by 2 goals to nil. The B.L.S. by their win are now only perched in second place, and there is a possibility of them playing off with the Guards for the Championship. Owing to the high wind which prevailed good football was out of the question last night both teams being called upon alternately to play a defensive game. Nevertheless the tactics used saw many smart plays in evidence and those present felt pleased with the exhibition handed out. The Felidians defended the western goal in the first half, taking advantage of the strong wind. During the greater part of the period the ball was confined to B.L.S. territory, while the backs and Phelan in goal were given a busy time in keeping the leather out of danger. This they were successful in doing. The B.L.S. forwards managed to get the ball west on a few occasions, but were unable to land the spheroid in the desired spot.

#### 2nd Half.

Upon changing over the Felidians were called upon to play on the defensive, and frustrate the attacks of the B.L.S. forwards. Harold Hayward in goal was called upon almost repeatedly to save the situation, and with the help of the backs the opposing forwards were kept at bay. The good work of the Felidians was marred a few minutes later, when B.L.S. scored a fuke goal. The ball was kicked across from the wing and hitting one of the Felidian backs, fooled the goal keeper and found its way into the net. The Felidian blues quite undaunted played harder than ever, and made several good attempts to score the equalizer, but luck appeared to be against them. The strong wind handicapped the team very much in their play and found the leather controlled almost at will by the B.L.S. forwards to the Eastern territory. The Irishmen continuing the attack kept blazing away at the Felidian goal, and shortly before full time were again rewarded when E. Phelan found the net which closed the scoring. A feature of the game was the excellent defense work of both teams.

Referee—T. Delahunty.  
 Only two games now remain unplayed in the football fixtures, viz. C.E.I. vs. Guards, and C.E.I. vs. C.L.B. A win or a draw for the Guards in their game with the C.E.I. gives them the Championship. If, on the other hand they should be defeated, it will necessitate a play-off with the B.L.S. for the Championship. The remaining games will be played next week.

#### 5 MILE TRACK RACE.

At a meeting of the Men's Committee Association held last night it was decided to hold the annual 5 mile race on August 21st. Rev. Bro. Ryan, Principal of St. Bon's College has again kindly consented to give over the use of the College Campus for this purpose, and judging by the keen interest manifested in the event last year, the forthcoming race promises to be doubly interesting. The course will be officially measured by Mr. Noel of the Surveyor's Department, and there should be no dispute in this connection. The prizes will be a splendid cup kindly donated by Lt. Col. Nangle, for first prize, and a gold medal for second. Competitors for this event are requested to forward their entry to Mr. C. J. Ellis, Water Street.

#### ST. BON'S ROWING CREW DINED.

Thursday evening a very pleasant function took place when a number of Old St. Bon's enthusiasts dined their rowing crew, which won the Amateur Regatta Day, at Bannerman Park. Mr. J. G. Higgins presided and a very interesting toast list was gone through. Amongst the guests were Hon. W. J. Higgins, the Attorney General, Hon. C. J. Fox, the Speaker of the House of Assembly, Mr. W. J. Ryan, the well-known chairman of his day, whose son was one of the successful crew, Mr. Phil Brown, who so creditably trained and coached the crew and to whom the crew owes its success and Mr. P. McMullen from North Sydney. The musical end of the programme was ably looked after by Mr. George Kearney.

### FIRPO WILL BEAT WILLS, SAYS JACK.

Dempsey Declares "Wild Bull" is Stronger Than Negro and Can Stand More Punishment.  
 By JACK DEMPSEY.  
 The papers say that Luis Firpo and Harry Wills are going to pile into each other August 30. If they do meet I think Firpo will win. I'll agree that Wills is more scientific, but I am not sure that he's faster on his feet or faster in punching. Once Wills may have been exceedingly speedy, but that day seems gone. Firpo is regarded as a "telegrapher" with his punches. Maybe he is—in a certain way. He does draw back a little, but when that boy lets go he can shoot just about as fast as any man in the ring game to-day. So Firpo, in rapidity of delivery, sort of offsets the "telegraphing."

Firpo isn't clever, as is Wills. He doesn't use the jab and he doesn't know half the time that he has a left hand. But he is possessed of a right that is one of the most crushing things the prize ring ever has produced.

#### Firpo the Stronger.

I know—I was on the receiving end of a few of those rights! In size and weight it's about 50-50. In strength—well, I've never met Wills, but if that dark boy is any stronger than Firpo he must be a Hercules. People say Wills is a marvel of strength, but I'll nominate Firpo, and if the test is made, I think Firpo will be elected. In the clinches—that's where Wills would have the edge. He's regarded as a master at in-fighting, and the sporting world knows he has inflicted the most terrible punishment when he had his men in close. As regards gameness and ability to take it—Well, there I think Firpo has the edge. I don't think, highly as Wills is touted, that he can take terrific pounding, especially in the body. He's been on the floor quite often in his fighting lifetime—and he's been knocked out by two champions.

"Wild Bull" Game.  
 Firpo is game. Don't ever make a mistake about that. I hit that boy with everything I had at least twenty times in that wild first round. I hit him six or seven in the second that were the most powerful short blows I ever swung in my lifetime. The South American went down, yes. He hit the floor seven times. Six times he got up. Who will say that Wills, hit as hard as Firpo was hit, would get up six times to be flattened the seventh time? Yes, I think I think Firpo will beat Wills if they ever meet. I think Firpo hits harder and can stand up under more than Wills. Those two qualities seem, in my opinion to offset that greater skill of Wills.

I'm picking Firpo—but with the proviso that he must be in real shape when he fights Wills. If he isn't—well, then it's a toss-up.

### THE CHARGE OF THE LIGHT (HEADED) BRIGADE.

(With apologies to Tennyson, Longfellow, Shakespeare, Bill Sunday, McKenkie King and all the other notable poets in our class).

Bobbed hair to the right of us,  
 Bobbed hair to the left of us,  
 Bobbed hair behind us,  
 Treasures and dangers,  
 Some with a light crop,  
 Into the barber shop,  
 Walked the six hundred.

Women of high degree,  
 Women of past fifty-three,  
 Determined that they shall be,  
 One of the six hundred,  
 Girls not yet out of 'teens,  
 Girls who that age have seen,  
 Join the bobbed hundreds.

Women of every class,  
 Mother, daughter, little lass,  
 Sweetheart, sister, join the mass,  
 Of the bobbed hair throng,  
 Clerk, stenographer, hello girl,  
 Waiter, maid and office girl,  
 Everyone caught in the whirl,  
 No longer wear their hair long.

Some with bangs, and some without,  
 Some are shingled round about,  
 Some in curls, and some in doubt,  
 In case they may have blundered,  
 Some of them do look real swell,  
 Some of them do look like—well,  
 It's sometimes just not well to tell,  
 How looks the bobbed six hundred.

### Harbor Grace Notes.

Rev. F. S. Coffin, B.A., Pastor of St. Andrew's Presbyterian Church here, has resigned, and left on Saturday last en route to his home, at Charlottetown, P. E. I. Rev. Coffin came to Harbor Grace some eighteen years ago, and with the exception of three years spent at his home through illness, has been pastor of the Kirk. The Rev. Gentleman always took a keen interest in the affairs of the town, and was especially interested in promoting the young life of our community. He organized the first Harbor Grace Troop of Boy Scouts, and acted in the capacity of Scout Master. Thus he has done a great deal for the lads of the Town—the effect, we feel sure, will be far-reaching. Rev. Coffin's host of friends here, while regretting his departure, wish him much happiness and success in the future.

On Sunday evening July 27th, following Service, the members of the Kirk Session, awaited on their retiring Pastor, Rev. Mr. Coffin, and presented him with an address, and an accompanying purse. Rev. Coffin expressed his appreciation of the address and gift and at his regret in leaving, assuring them that his sojourn here will ever be remembered.

On Monday, July 28th, the Scout lads also tendered their retiring Scout Master, Rev. Mr. Coffin, a farewell address and presented him with four books from the Troop. He was taken quite by surprise, but expressed much pleasure at their action, and briefly replied, thanking the lads, and hoping some one would be found to "Carry On." At the present time Rev. Mr. Higgett is acting Scout Master, but only until the vacancy can be filled, as owing to his large pastorate, Rev. Mr. Higgett cannot take over the charge.

The members of Lodge "Diamond Jewel" G.O.B.B.S., held their Annual Decoration Service at the various Cemeteries on Sunday last, when on the grave of each departed brother, was placed a floral remembrance.

Mrs. W. E. Parsons, Misses C. and G. Parsons, of St. John's, are visiting town, the guests of Mr. and Mrs. E. E. Parsons.

Mr. H. B. Thomson, of St. John's, was in town recently on Optical business, and went to Bay Roberts on Monday.

The ladies of St. Peter's Church, South Side, held a Strawberry Festival there on Wednesday last. Teas, Ice Cream, Strawberries, Candy, etc., were on sale, and all who attended spent a very pleasant time. The Ferry Boat made special trips to accommodate the parties from this side who were desirous of attending. The sum realized amounted to \$34.00.
