STARTLED BY A BOMB.
Constantinople, Oct. 1.—A bomb ex-

panic in the Yenikou quarter, and

tary movement was made in connec-

against the present regime.

and made a rush for the exits. A num-
ber of the CAMPBELL, the theater,

THE BANK OF ENGLAND.
London, Oct. 1.—The weekly state-
ment of the Bank of England shows
the following changes, as compared
with last Thursday: Total reserve, de-
creased £2,140,000; circulation, increased
£1,371,000; bullion, decreased £769,-
000; other securities, increased £1,-
600,000; other deposits, decreased £193,-
000; public deposits, decreased £235,000;

government securities unchanged.

THE OZAR'S VISIT.
Nicholas opens a Fortune in Tips—A
Romance Recalled.
London, Sept. 30.—The cost of the
Czar's visit in the way of mementoes,
gifts and tips is enormous. When
Nicholas I. visited London and
Windsor in 1844 he gave £3,000 (\$15,000)

in charities, £3,000 to the servants at
Windsor, £3,000 worth of diamonds to
the court ladies, twelve gold snuff-
boxes set in diamonds to the lords,
grooms in waiting and equestrians, and
over 100 watches, brooches, rings and
other presents. The present Czar is
expected to at least equal his ances-
tor in the munificence of his gifts.

It is understood that he will confer
the Order of St. Andrew upon the
Duke of York and the Marquis of
Salisbury, while the Duchess of York
and Princess Beatrice will receive the
Order of St. Catherine.

The visit has revived a romantic
story, first published in England in
1854 and periodically revived. It runs
that the Czar Paul, while visiting in
London, became enamored of a beau-
tiful Scotch woman named McGregor,
and took her to Russia, where she be-
came the mother of Nicholas I., great-
grandfather of the present Czar.

Scotland Yard detectives regarding
the Czar at Balmoral report that he
is enjoying the deer drives more than
anything else. All accounts agree that
he is delighted with the domesticity
at Balmoral. When he leaves Port-
smouth for France, on Oct. 8, he will
be escorted by British warships until
they meet the French warships,
which will then take up the escort.

It has been definitely decided that
Albert George Murphy, alias White-
head, the ex-Prisoner of War, who has
been confined in the insane pavilion at
Bellevue Hospital, New York, for sev-
eral days, is insane.

TURKISH RIOTERS PUNISHED.
Constantinople, Oct. 1.—The Govern-
ment tribunal has sentenced to
fifteen years' imprisonment each a
number of Mussulmans who were con-
victed of taking part in the recent
riots. These are the first rioters who
have been tried and found guilty since
the late massacres. The tribunal also
passed sentence of death upon all of
the arrested persons who are known or
suspected of having taken part in the
seizure of the Ottoman Bank, includ-
ing one who was surrendered by the
British legation, with which he had
taken refuge, upon the condition that
he would be released after he had been
examined by the tribunal. The Bel-
gian Minister has sent a peremptory
note to the Porte, demanding the
man's liberation.

The Frankfort Zeitung says the Sul-
tan has appointed an international
committee to investigate the causes
of the recent massacres in the Turkish
capital. The text is printed in Lon-
don of the special collective note,
which the embassies in Constantinople
sent to the Porte on the 15th inst.,
in response to the Porte's reply to
their first note of that body, con-
demning the recent massacre in Con-
stantinople. The note contains the
statement that the massacre was orga-
nized and directed by Turkish offi-
cials, refuses to continue the discus-
sion, and strongly emphasizes the as-
sertion that security is vanishing, and
that the foreign residents of the city
are justly anxious.

A dispatch to the London Post says
that the Turkish marine has been
unable to loot the Armenian houses in
Galatea on Sunday.

CABLE NOTES.
The Berlin correspondent of the
London Standard says that there has
been serious rioting and bloodshed in
the Province of Posen, and the old
question of partitioning it among the
neighboring provinces is being ven-
tilated.

A Brussels dispatch says that no
agreement has been entered into be-
tween Lord Salisbury and King Leo-
pold regarding the reported intention
of the Congo State to occupy Igo
and other points of the Upper Nile.

This dispatch reports also that the
Niger Expedition, which consists of 2,000
natives have sacked the English mis-
sion station at Trebon, in the dis-
trict of Lake Tumba, in the district
of the Lower Congo.

Dervishes Quarreling—Alleged Change
in the British Plan of Campaign.
London, Oct. 1.—The Chronicle as-
serts that the Ministerial Committee
of National Defense has been sum-
moned to London for the end of the
week to consider affairs connected
with the Sudan. It is probable that
Field Marshal Lord Wolseley, com-
mander-in-chief of the army, will be
in attendance.

A dispatch received at Suakin from
a dervish received at Suakin from the
Dervish headquarters show that
disputes have broken out among the
Khalifa's lieutenants, and that in
consequence the various emirs are
keeping their own followers around
them. It is added that the influence
of the Khalifa is shattered.

A dispatch received at Paris from
Cairo says that great excitement has
been caused there by the attempt on
the part of the British to induce the
banks to advance 26,000,000 francs
against the Egyptian revenues for the
purpose of defraying the expenses of
the Dongola expedition. It is said
that the committee of French bond-
holders will resist by law any attempt
to raise the loan in the manner pro-
posed.

A dispatch received by a news
agency in London states that the
Anglo-Egyptian expedition will not ad-
vance beyond Dongola during 1896. In
the meantime Korti and Debbeh will
be garrisoned, and British and Egyp-
tian officials will be appointed to ad-
minister the affairs of the entire pro-
vince. A police system will be es-
tablished, and the railway to Kaibar

will be completed. No British troops
will remain, except those in charge of
machine guns and the engineers. It
is not likely that Dongola will be at-
tacked, but in any event perfect con-
fidence is felt in the Egyptian garrison.
It is a mistake, the dispatch
says, to suppose that the Dervish
power is broken. It is regarded as
certain that the Dervishes will fiercely
contest the possession of Omdurman,
in the event of an advance being de-
cided upon. The present condition of
Egyptian finances renders an advance
almost impossible, the difficulty aris-
ing from the opposition to the propo-
sal to float a loan.

NEW TREATIES.
London, Oct. 1.—A Vienna dispatch
to the Daily News says that as an out-
come of Emperor Francis Joseph's
visit to Bucharest, the King of Rou-
mania has promised to join the Drei-
bund, while Austria and Roumania
have agreed to hold the Danube as a
sacred trust, whatever happens in the
east.

France has concluded treaties with
Austria and Italy in regard to Tunis,
and now England's refusal to re-
cognize the treaties has caused the na-
tions alone prevents Tunis from be-
coming absolutely French territory.

LYMAN AND WHITEHEAD.
London, Oct. 1.—A London paper as-
serts that P. J. Lyman, under arrest
at Boulogne-sur-Mer, suspected of a
dynamite conspiracy, pending pro-
ceedings for his extradition to Eng-
land, will probably be put on board
a French steamer for the United
States on Saturday.

It has been definitely decided that
Albert George Murphy, alias White-
head, the ex-Prisoner of War, who has
been confined in the insane pavilion at
Bellevue Hospital, New York, for sev-
eral days, is insane.
