

### Both Had Eczema In Its Worst Form

After Physicians Failed, Hood's Sarsaparilla Perfectly Cured.

Great mental agony is endured by parents who see their children suffering from diseases caused by impure blood, and for which there seems no cure. This is turned to joy when Hood's Sarsaparilla is resorted to, for it expels the foul humors from the blood, and restores the diseased skin to fresh, healthy brightness. Read the following from grateful parents:

"To C. I. Hood & Co., Lowell, Mass.:—We thank Hood's Sarsaparilla is the most valuable medicine on the market for blood and skin diseases. Our two children suffered terribly with the

for two years. We had three physicians in that time, but neither of them succeeded in curing them or even in giving them a little relief. At last we tried Hood's Sarsaparilla and in a month both children were perfectly cured. We recommend

### THE WHEEL.

A GREAT TURNOUT. The city parade of the London Bicycle Club last evening was one of the greatest cycling turnouts London has ever witnessed. Over 40 members left the club house at 7:30, wheeling through the principal streets, thence to South London, where they spent an enjoyable hour at the garden party, returning to the club house at 9:30, all feeling greatly benefited by the night's outing. Several members displayed banners on their wheels intimating the fact that they are going to have a race meet Aug. 16, which will doubtless be "the" meet of the season. A pleasant feature was the presence of two of the fair sex—Mrs. McCormick and Miss Clark—at the head of the procession. An increasing number of ladies are riding in the city, which cannot fail to have refining influence on the sport.

Additional entries to the Queen City road race bring the total number up to 161.

### SOLD HIS WIFE FOR 45 CENTS.

And Now the Wretch Wants to Get Her Back.

KINGSTON, N. Y., July 12.—A man named Thompson, who lives near West Hurley, at the foothills of the Catskills, was in town to-day and told a remarkable story of the sale of a wife. He said that last fall his son married a young woman named Phiney. Three weeks ago his wife did something which displeased him, and in speaking of the matter to a friend named Charles Lewis the latter stated that Thompson was not satisfied he would buy his wife.

A bargain was at once made, and Lewis, who resides at Sawkill, paid over the purchase money, which was 45 cents, and then Thompson and Lewis took a drink of hard cider at the village inn over the deal. The woman was to be delivered on the following Sunday. When Thompson returned home and informed his wife of what he had done, she made no objection, but, on the contrary, seemed rather pleased.

Last Saturday young Thompson began to get lonesome and regretted the sale. He went to see his wife for the purpose of inducing her to return to him. This she refused to do, saying she was satisfied with the change and was reproaching him for his lack of honesty in trying to back out of a fair bargain.

"You have got your 45 cents, and I ain't a-going back," was her ultimatum. The deserted and forlorn husband proceeded to his home and informed his father that she would not come back. The old man's mission in Kingston to-day was to consult a lawyer and see if legal steps could be taken to compel his daughter-in-law to return.

### THE TWELFTH OF JULY.

Celebrated in the Wonted Enthusiastic Way With Parades, Music, Speeches and Sports.

TORONTO, July 12.—The principal streets were crowded all morning with citizens waiting to see the Orangemen's procession. One or two short showers of rain somewhat disorganized the ranks of the procession and there were several long halts, but generally speaking it was all that the most enthusiastic Orangemen could desire. There were several thousand Orangemen in line and any number of bands. It took the procession about 45 minutes to pass a given point.

The afternoon was devoted to a few speeches and a program of games.

DRESDEN.—The Orangemen had a successful celebration at Dresden. Thirty odd Orange lodges arrived during the forenoon, and fully 5,000 people were parading the streets at noon. There were seven brass bands, in addition to the several file and drum bands. After dinner they marched to the grove, where several speakers addressed them.

Prescott—Rain interfered with the proceedings somewhat until 3 p.m., when it cleared away and the procession started, 3,000 strong. It covered nearly a mile, and was witnessed by over 5,000 people.

Byrrh.—The anniversary of the battle of the Boyne was celebrated here to-day. There were over 25 lodges represented from North Huron and Bruce, and 1,000 people took part in the procession, together with four brass bands and two file and drum bands.

Stratford.—The anniversary of the battle of the Boyne was celebrated here to-day with the customary enthusiasm. Lodges representing North and South Perth, East Middlesex, East Elgin, and South and East Huron took part in the procession. Mr. Clarke Wallace, grand master, was the principal speaker. Messrs. J. A. Hunt, of Palmerston, Thomas Magwood, M.P.P., Dr. Ellis, of Stratford, and Major White, of St. Marys, also gave addresses.

Montreal.—Montreal Orangemen did not celebrate the 12th in the city. Three hundred of them, including the Provincial grand master, Mr. Wm. Galbraith, went to Prescott to participate in the celebration there.

At numerous points throughout the country the day was celebrated in the usual manner.
