Almost Direct From Pekin

Telegram From British Minister

Dated August 3

Received by the Government—Rifle Fire on the Legations

Continues, Though Shelling Ceased July 16—200 Women and Children Refugees Under Sir Claude's Charge—

News From Admiral Seymour—The Advance on Pekin Being Pushed.

London, Aug. 8.—In the House of Commons today Parliamentary Secretary Brodick read a telegram from Sir Claude McDonald, British minister to China, received in cipher at the foreign office this morning. The dispatch was in reply to a government message, and bore the date of Pekin, Aug. 3. It was as follows:

"I have today received your cipher telegram, forwarded to me by the Chinese minister. The shell and cannon fire ceased on July 16, but the RIFLE FIRE HAS CONTINUED from the Chinese positions held by government troops and Boxers intermittently ever since. The casualties since then have been slight. Except one private of marines all the wounded are doing well. The rest of the British in the legation are well, including the whole garrison.

THE CASUALTIES.
"The total of killed is 60 and of wounded 110. We have strengthened our fortification. We have over 200 women and children refugees in the legation. The Chinese Government has refused transmission of telegrams in cipher until now."

Mr. Brodick also read the following dispatch from Admiral Seymour, filed at Che Foo on Aug. 6:

FROM ADMIRAL SEYMOUR.
"The allies, about 12,000 strong, attacked the Chinese entrenched position at Hsiku about two miles outside Tien Tsin, early this morning. The Chinese were driven out and retired northward, pursued by the allies, who occupied Pitsang. Transports followed up the troops by road and river. The advance upon Pekin has been begun."

This dispatch does not give the date of leaving Tien Tsin. Mr. Brodick said he thought the messages were

ON THE WHOLE SATISFACTORY.
The country understood the policy of her majesty's government in regard to China, which was to carry on with absolute firmness and determination the measures taken to preserve the country's interests.
