STANDARD EXCHANGE

Toronto, Oct. 14.—General weakness was shrown on the mining market at this morning's session of the Standard Mining Exchange, with trade still very light. Among the larger losses were those of Hattie, a leader in activity, of % at 2%, and Keeley 2 at 232. Tough Oakes another very active issue, was unchanged, but Lakeshore and Crown Reserve were each a point lower at 393 and 50% respectively.

BEANS

Canadian Press Despatch.

Montreal, Oct. 13.—Owing to the fact that large shipments of old crop beans received from Ontario points have not been up to the standard, heavy losses have been sustained by producers. The prices have been cut to \$2.65 a bushel for three pound pickers, and in many cases the offerings have been refused. The new crop is not expected to come until the end of the month, and no great hopes are held out of its being a crop up to the average standard of former years.
