Medical Prescription Association. The sole branch of the above association on the American continent is now located at 68 John street, Toronto. Letters of thanks are pouring in from those who received them, most of whom have for years been taking patent medicines and drugs

wanted to settle the case, and in the meanbereafter. time it was adjourned till Friday. James Collins was very anxious to pack

is trunk and get out of town, and the for the Cincinnatis. Home runs and three-P. M. decided that his drunks were coming baggers are his favorites. too close together, and a fine of \$2 or 20 davs was imposed James Burke and Ed. Beattie, two youth-

ful looking travellers, were charged with has been arranged. vagrancy. They said they were on their way from Chicago to Toronto, where

Beattie's brother was a toreman in Radam's tin shop. They were discharged. William McPherson, arrested vesterday, was charged with vagrancy and beating boarding houses. He owed Hiram Shane, of the McGill Hotel. \$1 50, and Mrs.

White was also one of his victims, but she did not appear. McPherson confessed to one term in the Central Prison, and was given one hour to leave the city by the Magistrate.

Mr. Graydon, City Engineer, had laid a charge of violation of by-laws against H. W. Babcock, out the defendant was ready for him, and the complainants failing to appear, disappointed no one more than Mr.

Babcock. The case was dismissed. A mother applied for the custody of her daughter, who, she said, was wayward and in danger of falling. But the Chief show-ed that the girl was better out of

her mother's care, as the latter was a drinker, and the girl was in better hands. The application was dismissed.

Ellen Stephens, Mova Stephens and Theresa Murphy, charged with vagrancy, were bailed till Satu day next. Mary Lapine was discharged. Four drunks were discharged.

AN IMPORTANT DISCOVERY.

The While Grub in Onion Seed, and How They Came There. Engineer.

Mr. R. F. Wilson, of this city, has made French laws require the cyclers to what is claimed by good authority to be a always carry a bell; the lamp must be kept very important discovery in growing onion lighted after dark, even if the cycler is

seed. Having bought some black onion occurred at the corper of Bruce street and seed to sow in his garden, he was advised the Wortley Road last week. Two of the little feathered fellows undertook to build a nest within the glass globe protect- speaking of the maggot which is the enemy to onion growers, the neighbor expressed named, and every morning when his opinion that the little white grub came with his machine.

from the top of the onion and worked its the globe was found to be filled with straw way down to the bulb. Mr. Wilson studied and other refuse, and it was of course over the matter and finally a thought struck him that the flower of the onion the birds during the day. This was kept must have been stung by the insect which up for eight mornings, when at last the lays the larvæ, and that in his opinion self could not agree on business matters.

An Aylmer correspondent writes regard. was the right theory, took some of the sus-pected seed, and after keeping it in lukewarm water for a few days saw the little agree on that point, I saw no other remedy maggot emerge from about one seed in but to make a change."

Mrs. A. Murray to bid farewell to Mrs T, G. McIntyre, who is leaving town. That Mrs. McIntyre's removal is viewed as a loss to Aylmer society was evident from the terms of a farewell address which was read by Mar. Structure and the test is an important discovery, read by Mrs. Sturgis, in behalf of the active their original and only to thoroughly placing of the contestants. The race was soak their onion seed. and then apply some liquid, such as coal oil, to kill the maggot, and there will then be no danger from it Leading seedsmen and entomologists agree The tormer won three beats out of four with Mr. Wilson's theory, and he is to be and yet did not take the first prize. This congratulated on working out the practical solution just at this time.
