

THE PENNANT VICTORIA.

Vancover's Lacrosse Men Completely Outclassed by Victoria's Brave Boys in Nine.

Athletes From This City Win Their Share of Trophies in Other Events—Potter Defeated.

VANCOUVER, July 1.—(Special).—The invulnerable Victoria scored another victory at Brookton today, to-day, from Vancouver. The teams were played before a larger crowd of spectators, and the 6,000 enthusiastic, wildly excited spectators, never saw a better game of lacrosse. Both teams were trained down to perfection. Their limbs were like deer's, and their faces pink with the glow of perfect health. Both teams, and every player in each team, played well, but Vancouver was out-classed—that was all—simply out-classed. The verdict of all fair amateur "lacrosseists" in British Columbia to-night will be that Victoria has the finest lacrosse club in the Province, and that to-day's game was the best for science and speed ever seen. The Coast's Macnaughton and Eckardt were cheered at every move of their clever attack; they played brilliantly, and played like men, confident of their prowess and confident of their support. Frost was in simply perfect form, and was smiling serenely in the heat of battle. E. Cullin moved his way through the Vancouver defence like a threatening machine, while Blight did some remarkable foot racing with the rubber. Clark had a hard check, but kept him from doing harm. McLeod hadn't much work to do, nor Beltry, as the play was all around the center. Vancouver's goal, Ketchum, however, made some fine long throws. C. Cullin did some work, while Morton was not content with holding down his man, and was always where the fight was the closest. The Vancouver boys all did well, and if they had won their "V" could be the lion's share of praise, but they were fairly beaten, and acknowledged themselves outplayed, so they do not begrudge the visitors their magnificent victory.

In the first game both teams were nervous and the play was loose. In seven minutes fifty seconds after face off, Nichol threw to Quigley from centre. Clark secured the rubber and muffed, and Quigley captured the ball and scored by a very pretty long shot directly in front of the flag.

Second game.—This lasted eight minutes, and was a magnificent exposition of lacrosse. The checking was keen, and the team play quick and clever on both sides. In eight minutes Macnaughton and Eckardt got the rubber, and the entire Vancouver defence could not get it away from them. Eckardt scoring. On re-throwing the rubber round, the Victoria contingent gave Eckardt and Macnaughton an ovation.

Third game.—This gave Eckardt a remarkable opportunity to show his skill as a wily dodger. He got the rubber from face-off, and played tag with the boys in grey around the Vancouver flag, slipping away from the entire company behind the flag, and lobbing it in front, where it was caught by the ubiquitous Frost and piloted through. Time, 30 seconds.

Fourth game.—The ball travelled directly to the flag of the home team, where Clark Eckardt, Frost and Macnaughton played pitch and catch, with slight interruptions at intervals, until Clark scored, three minutes from face-off.

In the fifth game the Vancouverers tried hard to redeem themselves, but the visitors played strong and confidently, and after a couple of minutes' agony around Vancouver's defence, Frost scooped the rubber through, giving the game and the pennant to Victoria.

An exultant shout of joy went up on the Victoria sympathizers that was so catching in its enthusiasm that the disappointed Vancouverites smiled good naturedly and paid their bets like men. Spain and Cheney, Vancouver's stars, were overshadowed by their checks. Vancouver's home was a little weak—that's all. At the end of the game there was a mad rush for the city, and the crowd was so dense on the ferry landing that the wharf sank, and scores of the ladies were standing in their knees in water, hemmed in by the crowds. The park road was almost blocked for a quarter of a mile with carriages and four houses carrying Victoria prizes. Above the noise of rapidly moving vehicles could be heard this strange accolade: "V-I-C-T-O-R-I-A! Victoria are in it—RAH, RAH, RAH!"

SUMMARY.

| Game. | Won By. | Scored By. | Time. |
|-------|----------|------------|-----------|
| 1. | Victoria | Quigley | 7:35 min. |
| 2. | Victoria | Eckardt | 8:00 " |
| 3. | Victoria | Frost | 30 " |
| 4. | Victoria | Clark | 3:00 " |
| 5. | Victoria | Frost | 3:00 " |

THE CHAMPIONSHIP SERIES.

| Played. | Won. | Lost. | P. Ct. |
|-------------|------|-------|--------|
| Victoria | 5 | 0 | 100 |
| Westminster | 1 | 2 | 33 |
| Vancouver | 0 | 5 | 0 |

MADE IN THE EAST.

OTAWA, July 1.—(Special).—To-day's championship lacrosse matches resulted as follows:

Toronto beat Montreal, at Toronto, four games to nil.

The Shamrocks beat the Cornwalls, at Cornwall, five games to three.

THE WEEK.

RACING AT VANCOUVER.

VANCOUVER, July 1.—(Special).—Vancouver at last has a man who can vanquish the great Potter, while Nanaimo nailed five out of the eight events to-day, the Deemings dividing most of the prizes. The sharp turn in the track puzzled most of the visitors, and many nasty falls resulted. The ti was fast, and Potter, now of Seattle, did not have his winning clothes on. The handicapper beat him in the long event, and he was fairly beaten in the long event from scratch by Vancouver's new man, Clabon, formerly of Calgary. Laurensen did not ride, having broken his arm while training the night before. The result of the events is as follows:

One mile, pneumatic (scratch)—Gaffney (Seattle), 1; King (Seattle), 2. Time, 2:55.

One mile, solid tire—A. Deeming (110 yds), 1; Potter (scratch), 2. Time, 2:59.

Potter and Clabon made a dead heat for second, but Potter won in the deciding heat. Deas had been riding in most of the races, he was the freshest man in the string, and the spectators were astonished

to see him pump out the hitherto invincible Potter and come in ten yards ahead, riding erect, with a broad grin on his face. No doubt Clabon is the superior man. A long distance race between him and Aklund would be a drawing event. Unfortunately no time was taken in this race.

AN INVITATION FROM SEATTLE.

A number of members of the Vancouver's Cycling club were to have gone to Vancouver, yesterday, to participate in the grand celebration of Dominion Day with the Terminal city wheelmen, but unluckily missed the boat. On Tuesday the club will visit Seattle, having accepted the following invitation:

SEATTLE, Wn., June 28.

To the Secretary and Members of the Vancouver's Cycling Club.

DEAR SIRS:—The Vancouver's Cycling club, cordially invited to participate in the following races to be held in this city on July 1: One mile race, half mile race, quarter mile race and half mile for novices. No restrictions as to weight or wheels.

We regret that we have no regular track in Seattle, but there will be a parade during the day and a prize given for the best riding in the city. The winner of all the races will also be given the best wheel of the evening with the prize for the best wheel of the evening.

We hope to see your club represented, and assure you that we have the best of wishes to make your visit pleasant.

Very truly yours,

F. W. CLAYTON, Secretary.

THE SEATTLE CYCLE CLUB.

CRICKET.

VANCOUVER WINS FROM VICTORIA.

VANCOUVER, July 1.—(Special).—In the cricket match to-day Victoria got a beating. Going to bat first they scored 82 runs, Barff leading with 28. Vancouver piled up 260 in their innings, Sewell reaching the century mark, not out, and the innings was closed at five wickets. It was the first time the hundred mark has been made on Brookton Point, and the club are deservedly proud of Mr. Sewell's work. Victoria scored 70 in her second innings, Irving 17, and Holt 12.

WESTMINSTER, B. C., July 1.—(Special).—In the cricket match to-day, Westminster won from the Albions by seven wickets. Westminster—133 (Rev. H. Woods 60) and 40 for three wickets down. Albions—70 (H. J. Martin, 24; Gibbons, 23) and 103 (Wallis, 52).

ROYAL ARTILLERY, V. "CHAMPION."

The cricket match between the eleven of H.M.S. Royal Artillery and H.M.S. Champion on the Canton field, Esquimalt, Thursday, resulted in a victory for the Champions by ten wickets. Prentiss bowled very well, taking six wickets for three runs in the second innings, while Bomb's Glover scored 34 and 17, being not out on both occasions. For the flagship Carter bowled and batted extremely well. The score is appended:

1st Innings. Royal Artillery. 2nd Innings.
