RECOVERED FOR THIRTY FIVE YEARS

I really could not live without "Fruit-a-Lives"

PERKINSVILLE, Ont., Jan. 29th, 1930.
"For thirty-five years (and I am now a man over seventy) I have been a sufferer from Constipation. No matter what remedy or physician I employed, the result was always the same—impossible to get a cure. About two years ago, I read about 'Fruit-a-Lives' and I decided to try them.

I have used 'Fruit-a-Lives' ever since. They are the first and only medicine that suited my case. If it were not for 'Fruit-a-Lives' I am satisfied that I could not live." JAMES PROUDFOOT.

The greatest remedy in the world for all forms of indigestion and dyspepsia, is "Fruit-a-Lives". Doctors as well as hundreds of people proclaim it. "Fruit-a-Lives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-Lives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-Lives Limited, Ottawa.

Mistakes May Happen

to you,—as they do to everyone. If you eat too fast, do not masticate properly, or take food that does not agree with you, digestive derangements are almost sure to come, and indigestion generally leads to very serious physical troubles.

THE CHINESE REVOLUTION

The revolution, which began in southwestern China against the Manchian dynasty, a few months ago, is now successful in over half of China, and has forced the Government to grant a constitution of the British pattern, to abolish all special privileges of the Manchian nationality and even to offer to exclude members of the royal family from cabinet positions. On the other hand, the revolutionists, distrusting promises wrung from the Manchus in the hour of defeat, have declared for a republic.

Much bloodshed has occurred, although very much less than in any previous disturbance of like magnitude. Foreigners and foreign property have not been interfered with, and almost perfect order is being maintained in all sections under revolutionary control. The whole southern and middle sea coast is now lost to the Government, and the rebels are rapidly advancing on Peking. There are hopes of a settlement whereby the autocracy and the rule of the Manchus will go but the dynasty be retained under a liberal constitution guaranteeing justice to all concerned.

A WONDERFUL CASE

Three Months in Hospital And Came Out Unscathed.

Zam-Buk Cured Him In Few Weeks.

Mr. Fred Masin, the well-known upholsterer and mattress manufacturer of St. Andrews, N. B., says:—

"I had terrible pain and inconvenience. The sore parts would itch and burn and tingle, and then when rubbed or scratched, would become very painful. When the knee got warm it burned worse, and the itching and burning and smarting were almost unbearable. I tried various remedies, but got no better, so I decided to go to Montreal and take special treatment. I received treatment at the Montreal General Hospital for thirteen weeks, but at the end of that time I was not cured, and almost gave in. A friend advised me to give Zam-Buk a trial.

"Almost as soon as I applied Zam-Buk I stopped the itching and the irritation. I persevered with the balm, and it was soon evident that it would do me good. Each day the pain was reduced, the sore spots began to heal, and by the time I had used a few boxes of Zam-Buk I was quite cured.

"Since then Zam-Buk has cured blood poison in my finger, and at a time when my finger was in such a terrible condition that I feared it would have to be amputated."

For eczema, blood poisoning, piles, ulcers, sores, abscesses, varicose ulcers, bad leg, cold sores, chapped hands, cuts, burns, bruises and all skin injuries and diseases, Zam-Buk is without equal.

50c. box all drugists and stores or post free from Zam-Buk Co., Toronto, for price. Refuse imitations.

According to Government Estimates

\$100,000,000.00

was made in Western Town Property during the year 1909

Did you participate in these huge profits or did you "pigeon hole" the propositions submitted to you by your western friends for future consideration? In short, are you the man who made a profit or the unfortunate one who had the chance but did not possess sufficient judgment to recognize the opportunity or sufficient courage to close a deal? The man or woman entitled to sympathy is the one who says: "Five or ten years ago I had the chance to buy this or that property at \$100 or \$500, and now it is worth \$10,000." The average person sneers at the person who makes such a statement and says: "I would have bought and made that money." Are you going to say five years from now that you had a chance to buy a lot at Poe, Alta., at from \$50 to \$100 each, or are you going to be the man who will have from \$1,000 to \$10,000 in cash as a result of having bought property in this town in this year of grace, 1911?

POE A COMING COMMERCIAL CENTRE

Poe is located on the main line of the Grand Trunk Pacific Railway between Edmonton and Saskatoon. It is located in one of the finest farming districts in Western Canada. The surrounding country is settled by a progressive type of farmers and consequently will become the market centre for Northern Alberta. Poe district possesses rich coal mines, is close to rivers and lakes and large forests are easily accessible from this point. These natural resources insure for the residents of the town, first, low cost of living, and second, great commercial activity, two essentials in the upbuilding of a large town, thus creating valuable real estate.

POE AS A MANUFACTURING CENTRE

This townsite and contiguous territory has the requirements outlined by large manufacturing concerns for the location of large factories or large enterprises of any kind employing large numbers of people. The rivers and lakes furnish water, the coal fields and forests furnish fuel and cheap building material, the fine farming lands furnish farm products, enabling the residents to live at a low cost. The town is located on the main line of a transcontinental railway, assuring the necessary transportation facilities. These combined conditions will furnish cheap labor, one of the most important features of a manufacturing centre.

Poe is a Good New Town in which to engage in Business or a Profession
