-in matters respecting the position of the finances of the company. The new board, he said, had taken STOCKS AND BONDS. MUNICIPAL DEBENTURES for sale at prices to yield from 4 to 5 per cent., sultable for Trustees or for deposit with DOMINION Government Insurance Department. SCOTCH money to invest in large blocks at 5 per cent. sideration the previous unsatisfactory state of affairs, and then de-cided upon a future general policy of strict economy in their administration.

close supervision of the working staff and careful selection of officers. They had also resolved not to be led Æmilius Jarvis & Co.

astray by ambitious or other motives, into the field of extension, amalgamation or development, which if not conducted with prudence might reach disastrous results. (Cheers.)

They had resolved, too, that if they was results in the properties they sativation and even profit of the first of the sations results. (Cheefts.)

They had resolved, too, that if they would do so only upon satisfactory proof that it would result in profit to the company.

He had observed, too, he said, that a singular interest had been manifested in the affairs of the company this trip to Canada.

He had observed, too, he said, that a singular interest had been manifested in the affairs of the company thin the central Vermont Railroad had not yet resulted in an agreement, but he was not without hope that they would yet reach a satisfactory conclusion.

For the last fortnight there had been a distinct increase in the earnings of the Chicago and Grand Trunk Railway, which he believed was in consequence of the equipment of the road with new cars.

The board mation and to draw a lesson from the experience and profit by the mistakes of the past. The chief error of the past had been in a fission from the experience and profit by the mistakes of the past. The chief error of the past had been in a fission from the experience and profit by the mistakes of the past. The chief error of the past had been in a fission from the experience and profit by the mistakes of the past. The chief error of the past had been in a fission from the experience and profit by the mistakes of the past. The chief error of the past had been in a fission from the experience and profit by the mistakes of the past may have been an agreement on a fission from the experience and profit by the mistakes of the past of the company would have been in a fission from the experience and profit by the mistakes of the past of the company would have been in a fission from the experience and profit by the mistakes of the past of the company would be an agreement on a fission from the experience and profit by the mistakes of the past of the company would be an agreement on the company would be not trunk lines to day.

Sir Charles Wilson then moved the adoption of the report of the board, and the motion was seconded by Mr. Joseph Office 23 King-st. W. Telephone 1879 TORONTO STOCK MARKET.
