## "Where, Oh Where Has My Little Dog Gone?"

You won't have to wonder very long if you hop to the phone, call 5200 and ask for an ad-taker. These little "Lost and Found" ads in The Free Press have a habit of spoiling many pleasant wanderings for family pets.

And furthermore, they are just as good at finding pocketbooks that are apparently lost forever. As a grateful advertiser remarked not long ago, "It oks as though all the honest people in London read The Free Press classified page.'

When you lose something, just remember the proper thing to do-call 5200 and ask for an ad-taker! The A-B-C Classified Ads.
