Bessey was brought before the Police Magistrate the same afternoon on a charge of stealing a coil of rope valued at \$16, the property of W. A. Brown. He was brought before the Judge on Tuesday morning and elected speedy trial. Trial fixed for same day as the other charge. A. S. Burnham, for defence, J. D. Bucke, for Crown.

Sarah Laforge was brought before the Judge on Monday charged with having converted to her own use a binder, the property of Wm. McSherry. Strathroy Man Nearly Electrocuted

Strathroy, May 28.—James W. Payne, an employe at Wright's hardware, met with a peculiar accident the other evening and one which might have cost him his life.

Mr. Payne had occasion to go into the warehouse at the rear of the store for something and attempted to turn on the electric light in the dark. The floor was wet where he stood and his feet were none too dry and as he reached for the bulb which hung from the ceiling his hand came in contact with the brass fitting of the bulb and he was immediately rendered unconscious and fell to the floor. In falling his body became entangled in the electric wires which broke the circuit, otherwise he might have met an instant death. He was soon revived, however, and beyond a severe shock not much the worse for his experience.

WARWICK.

Mrs. J. B. Thompson is visiting her daughter, Mrs. Ormrod, of Sarnia.

W. J. Shaw and son Will, Sarnia, spent Sunday with A. Menercy, Warwick Village.

Douglas McNaughton, 4th line, lost a valuable horse this week with inflammation of the bowels.

Mr. George Fenner left for Detroit Wednesday to attend the commencement exercises of the Detroit College of Medicine where his son, W. A. Fenner, graduated as an M. D.

Mr. J. D. Fraser of the lake front, Leamington, is making more than ever a specialty of growing early vegetables. He has several immense green-houses and an order for several thousand plants is quite a common occurrence. He is growing tomato plants for the canning company, and is filling outside orders at the same time. His latest orders from outside parties was for 400,000 plants. Mr. Fraser deserves success, and by his energy and perseverance he will command it. He is a good neighbor, and is ever ready to lend assistance to any good work.—Leamington Post.

Mr. Orville Bachelor, one of Warwick's former young men, now of Los Angeles, Cal., intends spending a short time about July with his brother Mason and sister May of Calgary, and also expects to meet his mother and sister Gertie of London. The meeting will be looked forward with great interest, as the family have not met for about six years. Orville left for Calgary about six years ago and has never returned. He has been nearly all over the Western provinces and is now in the gold mines near Los Angeles.

A sad event occurred on the fourth line east, S. E. R., on Wednesday afternoon, when Laura May, beloved wife of George Westgate, Jr., passed away in her twenty-second year after an illness of a few days, following confinement. Mrs. Westgate was the eldest daughter of Mr. James Edgar, of Metcalfe, and had only been married about two years. The news of her early death has caused deep sorrow among a large circle of relatives and friends, among whom she was loved and respected for her amiability and kindness. The deepest sympathy of the community is extended to the bereaved in their great sorrow. The funeral takes place Friday at 1.30, interment in the Watford cemetery.
