

### I Can Save You 36½ Days a Year

You know from laborious experience that you spend at least an average of one hour a day in pumping water for use about your farm. Stop losing this valuable time. Save your strength. Install a Toronto Windmill and see how quickly it will pay for itself. Toronto Windmills are quiet, efficient workers. Cost nothing to run. Require practically no attention outside an occasional oiling. And when linked up with a Toronto Pump and Toronto Water System, a Toronto Windmill will give you a city water service right on your farm.

#### ALVINSTON WOMAN'S DEATH

Fell From Hospital Window in Absence of Nurse.

Falling from a second-story window in St. Joseph's Hospital, London, shortly after 2 a.m., Saturday morning, Miss Elizabeth Black of Alvinston, 51 years old, suffered internal injuries, that resulted in her death six hours later.

Hospital authorities report that although Miss Black had been ailing for several months she had only been a patient at the institution for the past two weeks. Early Saturday morning, they report, she arose from her bed to raise the window, immediately falling to the grass below, just missing the cement sidewalk. She sustained a broken arm in the fall as well as internal injuries, which caused her death.

Dr. A. MacLean, coroner, decided an inquest was unnecessary.

The doctor attending Miss Black stated that the news of the tragedy was like a bolt from the sky to him.

"Miss Black was never a violent patient at any time. She never gave any intimation that she might end her life. She was certainly not that type of woman."

#### FOREST

Mrs. Anson Tripp of Detroit is visiting with relatives in town.

Mr. Dan McKellar of Toronto, spent several days in town this week. His sister, Mrs. Bromley returned to Forest with him and will remain here for the present.

R. J. McIntosh, who is starting the auto bus line between Forest and Sarnia moved his household effects here last week and is occupying the residence recently vacated by Mr. Angus Morrison.

The congregation of St. James' Church responded nobly to the appeal for the Russian Relief last Sunday to the extent of \$166.00. This together with other special offerings made a sum total of over \$300.00 in one week by this congregation.

A farewell was tendered Mr. and Mrs. W. J. F. Ross, and daughter Greta, and Mrs. William Dew, of Bosanquet, by the members of St. James' Presbyterian church in the basement of the church on Wednesday evening. Mr. and Mrs. Ross are leaving for London shortly.

The death occurred in High River, Peace River District, on Thursday, April 27th, of Isabelle McGill, relict of the late Neil McIntyre, aged 78 years. The remains were brought to Forest for burial and the funeral took place on Friday afternoon from the residence of her brother, Neil McGill, Albert street, to Ravenswood cemetery.

#### PETROLEA

James Brown, a much respected resident of Petrolia, passed away on Sunday, April 30th, in his 74th year. Mr. Brown was born in Adelaide township, son of the late David and Christina Brown. His father settled on a bush farm and built a log home in the clearing. Deceased was the eldest son of a family of twelve, nine boys and three girls of whom only four brothers and one sister, survive.

On Wednesday, April 26th, the first regular meeting of the McMurray Asphaltum & Oil Limited, was held in Petrolia for the election of officers and other business. Mr. Thos. Draper is president and general manager of the new company, K. C. Kerr vice-president and Jas. F. Draper, secretary-treasurer. The directors are B. P. Corey, Geo. Hay, W. H. Watkins and S. M. Lowery.

The earnings of the local hydro system in 1921 were \$3,293.98 more than in the previous year. Additions to plant amounted to \$6,313.89, bringing the cost of plant to January 1, 1922 up to \$69,393.26. There are 503 domestic consumers and an average monthly load of 664 horse power.

The Bell Telephone Co. have connected up another line to London. After long distance service is resumed attention will be given to the rural lines. It will take several weeks to repair the damage caused by the recent sleet storm as between Petrolia and Rutherford 124 poles were broken and had to be replaced, between Petrolia and Wyoming 110, Petrolia and Alvinston 20, Petrolia and Sarnia 31. A total of 294.

Three youths, members of industrious families, and themselves possessing good characters, were charged in police court on Tuesday with having broken into a local store on Sunday night and stealing a sum of money. As the boys had only spent a dollar or two of the amount taken and promised to make restitution as well as pay the costs of the court the magistrate dealt leniently with them but warned them to be careful about their future conduct.

#### MRS. JAMES N. DODD

The death occurred at London Wednesday, May 3, of Helena P., the wife of James N. Dodd of Sarnia following a long illness. The remains were brought to the city from London on the 1.20 train this afternoon. The late Mrs. Dodd was the matron of the Lambton county jail at Sarnia of which Mr. Dodd is the governor. The family came to Sarnia eight years ago from Alvinston. Deceased was formerly Mrs. Albert E. Ketch, and her son, Harold Ketch, lost his life overseas. Her maiden name was Helena P. Wilson. Besides her husband, two daughters survive, Miss Hazel Ketch, Niagara Falls, N.Y., and Mrs. Lyla Greives, Milwaukee, Wis., a stepdaughter, Ella M. Dodd also survives. The late Mrs. Dodd was 53 years of age. Interment will take place at Alvinston cemetery. A funeral service will probably be held in Sarnia tomorrow evening by the Rev. Mr. Millyard.—Observer, May 4.

#### McARTHUR—CAMPBELL

A quiet wedding was solemnized at the home of the bride's parents, Plympton and Enniskillen Townline, when Christina, youngest daughter of Mr. and Mrs. Malcolm Campbell, became the bride of Alexander McArthur, a prosperous farmer of Caradoc township. The Rev. J. C. Robinson of Wyoming, performed the ceremony. Mr. and Mrs. McArthur left for Detroit and other points. They will reside in Caradoc township.

#### CATARRHAL DEAFNESS

is greatly relieved by constitutional treatment. HALL'S CATARRHAL MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRHAL MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

#### NEW IDEAS FOR FALL FAIRS

The Listowel papers announce that the prize lists of the local exhibition to be held next fall are now ready for distribution. The Listowel Exhibition Directors have gone a long way towards insuring the success of their show by getting their prize lists out so early in the season. The majority of fall fairs do not get their prize lists out in time to be of much advertising value to the fair. If the prize lists were issued not later than June 1st, in each year, exhibitors in every department would have some reasonable time in which to prepare their entries. This would be especially true in the ladies' departments: As it has been in the past, there is no time after the lists are issued for the ladies to get ready any new fancy work or articles of domestic manufacture.

#### FOREST SPRING HORSE SHOW

The annual Spring Horse Show, under the auspices of the Forest Agricultural Society, held Tuesday, May 2nd, was a success in every way. Thirty entries were made, the leading exhibitors being Brandon Bros., and A. Watson & Son. In the stallion classes the competition was keen, many fine animals being exhibited. The judge was John Gardhouse of Weston. Entry fees amounted to \$30, and the gate receipts \$89. With the government grant there will be a good surplus after paying all expenses.

## It's the Valleys in Paint That Make it Poor

The Valleys are the thin streaks  
The Hills are the thick streaks

PAINT streaks are caused by the brush marks. No matter how much it is brushed, if the paint is cheap the brush marks are bound to show.

Good paint levels up to a smooth surface. Cheap paint dries with hills and valleys that are alternately strong and weak.

Just as a chain is only as strong as its weakest link, so is a film of paint only as good as its thinnest places—the valleys.

Most paints are made of only three things. Lowe Brothers High Standard is made of six—three more ingredients that exhaustive laboratory and practical tests have shown to be necessary to make good paint.

Add to this the fact that these ingredients are more finely ground, and you can understand why High Standard will always smooth out to a uniformly thick surface. Which is also the reason it lasts longer, and looks better as long as it lasts.

Come in and see the sample panels and ask for literature.

A cross section of a cheap paint film looks like this.

High Standard goes on smooth and stays smooth. That's why it looks better and lasts longer.
