### A New and Terrible Poison.

SOME ALARMING RESULTS OF THE USE OF COCAINE-THE DANGER OF LARGE DOSES. and my scalp will come off much easier."

valuable but an exceedingly dangerous friend's request, and had got as far as 'The drug; and M. Dufornier has lately pub- wild flowers soon will shed their bloom lished in the Archives de Medicine the re- around my sad and lonely tomb,' when two markable results of his investigation into big Indians came up smiling all over and its use. Cases where accidents have oc- grunted, 'Heap good-more !' The gifted curred are very numerous, and there is tenor finished the aria, but explained that hardly a surgeon using cocaine who has he could sing no more unless he was unnot had occasion to witness them. As bound. The Apaches loosened his thongs, early as in 1887 Mr. Mattison pablished and Mr. Maas, with a despairing hope the account of forty such instances, and went on with the opera. From nine p. m the roll of victims who have lost their lives until three the next morning he kept on from a dose of cocaine has now reached as singing. Every time he stopped, the savhigh as nine. In a large number of cases ages poked him with a spear. However, it has given rise to a species of poisoning, just as his larynx was about to burst, the from which the patient usually recovers. Among the phenomena characterizing this stole away, after cutting the hide ropes form of poisoning, one observed in a patient which bound his friend. They reached of Dr. E. Bradly is worthy of special men- the settlement in safety, but up to this tion. This patient was taken with facial day the talented artist never plays the paralysis, from which he did not recover by emotion. for six months. Other symptoms are halucination; and finally, Dr. Leslie Calloghan in one case saw the entire body covered by a scarlatiniform rash.

Dr. Szunman, wishing to remove a large wart situated at the base of the thumb of a approaching, and the destination of the young girl of 20, injected under the skin, car you are in, is clearly and legibly shown, close to the warts one cubic centimetre of so that passengers, without running from a one-in-ten solution of cocaine. The pa- their seats, can have those questions solved. tient felt no pain, but as the little wound which cause so much worry and uneasiwas being sewed together she suddenly ness to the traveling public under the lost her color and fainted; her pulse be- present system. The introduction of this came weak and slow, and her hands and indicator on our railways would be a great feet stiffened. Water was dashed into her boon to the traveling public, and train face, and she recovered consciousness, but hands as well. The indicator consists of a case with she did not regain at once her sense of feeling, as she kept asking where her hands glass mont and a belt of canvas or other were. By this time the stiffening had ex- material mounted on two rollers. one near tended to the whole of her person; but the top and the other near the bottom of these alarming symptoms quieted down the case, with every station on the line little by little, and by half an hour's time clearly printed thereon, and so placed in they all came to a happy end. This case the case and behind the glass that only represents the mildest case of cocaine pois- one station can be shown at a time, and oning. Between this form and the cases with it the change of cars, refreshments, in which death ensued come in a series of or any other information requisite or in severer forms, in which the alarming sym- tended to be shown, and is also provided toms lasted from three hours to five or six | with a gong or alarm bell which rings when a change of reading has taken place, and davs.

Dr. Baratoux mentions the case of a thus draws the attention of the passengers. druggist who, under the impression that It is also provided with a series of folding he was attacked by diptheria, sprayed his leaves with the destination of every car on throat with a solution of cocaine ; for seven the train printed thereon. The mode of or eight hours he passed from one syncope operation is very simple. The brakesman to another until he finally succumbed. Dr. or baggagemaster steps on the rear end of Abadie reports another case--a woman of the train when leaving the station and 71. She received a hypodermic injection passing through the passenger car on his of four contigrams of cocaine in her lower | way to the baggage car turns the knob or of four contigrams of cocaine in ner lower way to the baggage car turns the knob on eyelid before undergoing a trivial opera-the side of the indicator, thus bringing into Granville St., Bridgetown, N. S. tion in that region. At the close of the view the name of the next station, the operation she fainted, and her face be- same motion sounds the alarm bell or gong

Apaches. There was no hope of deliver ance, and both Mr. Maas and Mr. Bouci-THE LADIES! cault expected instantaneous death. At this juncture Dion, who was almost coma tose from fright, murmured feebly, 'Joe, New and Distinct Form of Disease which is afflicting Cauadiau Women. sing me Fra Poco once more before I die,

me of Them Regulated Freeh lexion, Perfact Health and superb Physical Beauty. Cocaine, as is now well-known, is a very Mr. Maas tearfully complied with his 1/16/11 is only too true. It is why we see so many ladies pale, weak, languid, and suffering from headaches and innumerable weaknesses. They cannot stand the strain upon their nervous system. Many of them have last Indian dropped asleep, and Mr. Maas found the means to sustain their failing strength, to give color to the cheeks, and new life and vigor to the body, in Paine's Celery Compound. This pure and scientific third act of Lucia without being overcom

what have you got ?'.

'A dry tongue.' 'Good, then we'll divide our provisions.' 'Very well, begin.' Jeinkew drew his bottle of wine, out of which travel may be conducted by steam. his wallet, and its contents were honorably divided. After this had been done Jein-

Can anything be more utterly absurd or kew wiped his month and asked his fellow more laughable than a steam propelled traveller to bring forth his provisions waggon moving twice as fast as our mail

'Why, yes; your dry tongue-' 'I haven't got a dry tongue any more !'

Bridgetown, Dec. 1885.
