# SUFFERING OF YOUNG WOMEN

### This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps growing worse each year until I was all run down. I am a children's nurse, and I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women, as I am only too glad to recommend the medicine."—JEAN KENT, 42 Blamford Ave., Toronto, Ont.

Girls who are troubled as Miss Kent was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound. Those who need special advice may write to Lydia E.
